145. Crash Description/Narrative

On 12/5/18 at 1705 hours I was dispatched to the area of Van Zile Rd and Rt 70 in reference to a two car motor vehicle accident. Dispatch advised they were still in the roadway.

Upon arrival I observed vehicle 1 and 2 stopped on Van Zile Rd in the center lane of traffic north of Rt 70. Both drivers were out of their vehicle and driver 2 advised her foster daughter needed to go to the hospital. She explained further her foster child did not appear to be hurt, but it was state policy she had to document it with medical professionals. Med Unit 538 arrived on scene and took custody of the child as both vehicles were moved out of the roadway into a nearby parking lot.

Driver 1 advised she was stopped behind vehicle 2 at a red traffic signal in the center lane of travel on Van Zile Rd. The signal turned green for the left turn lane, which they were not in, and both vehicles began to accelerate. Vehicle 2 realized they did not have the green signal and stopped. Vehicle 1 could not stop in time and crashed into the rear of vehicle 2.

Driver 2 advised she was stopped at the red traffic signal on Van Zile Rd waiting to cross over Rt 70. When

145 Crash Description

the left turn signal turned green she accelerated and then stopped after realizing the green signal was not for her lane of travel. When she stopped, vehicle 1 crashed into the rear of her vehicle.

Investigation at the scene proved to be consistent with both drivers statements and determined vehicle 1 was at fault. No injuries were reported at this time and both vehicles suffered minor damage. The passenger of vehicle 2 was transported to Ocean Medical Center at the request of driver 2 due to state policy regarding foster children.
