145. Crash Description/Narrative

Vehicle #1 was traveling South on Burrsville Road. Vehicle #2 was stopped in traffic in front of Vehicle #1.

The front of Vehicle #1 collided with the rear end of Vehicle #2, causing minor damage to both vehicles.

Driver #1 advised he was traveling South in rush hour traffic, and stated the traffic light at Jack Martin Blvd was green. Driver #1 stated as he approached the intersection at Jack Martin Blvd, however, he increased his speed to make sure he made it through the intersection before the light turned red. Driver #1 explained that the traffic in front of him suddenly stopped and he applied his brakes but was unable to avoid colliding with Vehicle #2.

Driver #2 stated she was completely stopped in traffic that was backed up from the stop sign at Burrsville and Route 88. Driver #2 further stated she glanced in her rear view mirror and could see Vehicle #1 approaching from behind at a high rate of speed just prior to the collision.

Based upon my observations, and statements made by both drivers, I find driver #1 at fault for careless driving and following too closely.
