145. Crash Description/Narrative

Vehicle #1 was parked in a handicapped parking space in front of 459 Jack Martin Blvd. The Parked Vehicle was parked in front of the walkway and to the rear of Vehicle #1.

I spoke with Driver #1 who stated she went to back out of her parking spot when she did not see the vehicle parked behind her. Driver #2 did not see the Parked Vehicle in her mirrors or back up camera.

The owner of the Parked Vehicle stated she was driving the car with her father, Johannes Paerg, in the front passenger seat when she pulled up to the cement walkway. She exited her vehicle, walked to the front door of the building and began to escort her mother, Anita Paerg, to the vehicle. As soon as Anita was helped into the vehicle and her door was shut, the front of the vehicle was struck by the rear of Vehicle #1.

Based on my observations and statements made by both drivers, I determined Driver #1 to be at fault for the crash.
