145. Crash Description/Narrative

Vehicle #2 was traveling east bound on Route 70 with Vehicle #1 traveling directly behind Vehicle #1. Both vehicles took the ramp to travel west bound on Olden Street.

Driver #1 stated she was approaching the end of the ramp where it turns into two lanes at the light. Driver #1 advised the that driver #2 pulled into the left lane in front of her and stopped short causing her to strike the rear of Vehicle #2.

Driver #2 stated she was approaching the part of the ramp where it turns into two lanes when she merged into the left turning lane and stopped for traffic when she was struck from behind by Vehicle #1.

Based on my observations and statements made by both drivers, I determined Vehicle #1 to be at fault for the crash.
