145. Crash Description/Narrative

While assisting on a crash scene on Route 70 east just east of Route 88 I observed the following: Both vehicle 1 and vehicle 2 were traveling west in the left most lane on Route 70 just east of Route 88. An ambulance was traveling east on Route 70 with its emergency lights and sirens activated. The ambulance was making a left hand turn onto Route 88 toward Ocean Medical Center. Traffic on Route 70 west stopped to allow the ambulance to complete the left hand turn. The first vehicle in the line of traffic in the left hand lane stopped and vehicle 2 stopped directly behind it. Vehicle 1 continued and rear ended vehicle 2, vehicle 1 did not begin to brake until just before impact.

Driver 1 stated that traffic was constantly moving and slowing and that he did not realize that traffic was stopped in front of him. Driver 1 further stated he did not observed myself along with other emergency personnel at the crash scene on the east side of Route 70 but he did not notice the ambulance coming through the intersection.

Investigation revealed that the cause of the crash was due to driver 1's inattention to traffic stopping for the ambulance to cross through the intersection.
