145. Crash Description/Narrative

My investigation revealed the following:

Vehicle 1 was traveling on the ramp from Route 88 to Route 70 West. Vehicle 2 was on the same ramp directly in front of vehicle 1. Vehicle 2 stopped for oncoming traffic. Driver 1 failed to realize this and crashed into the rear of vehicle 2.

Driver 1 stated he was on the ramp from Route 88 to Route 70 West. He observed a truck traveling at a high rate of speed on Route 70 and attempted to stop but crashed into the rear of vehicle 2. Driver 1 stated he did not look forward, because he was focused on the speeding truck, and did not know vehicle 2 had stopped.

Driver 2 stated he was on the ramp from Route 88 to Route 70 West. As he was going around the ramp he observed the traffic light for Route 70 turn green. A truck in the right lane accelerated at a high rate of speed and he stopped to let the traffic pass. When he did so he was struck in the rear by vehicle 1.

Based upon the above circumstances I find Driver 1 to be at fault for the crash.
