145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 1 was stopped in traffic in the right lane on the ramp from Route 70 east to Olden street. Vehicle 2 was in the left lane on the ramp from Route 70 east to Olden Street. Vehicle 1 attempt to change lanes from the right lane to the left lane, as vehicle 2 was passing vehicle 1. As Vehicle 1 moved into the left lane it struck vehicle 2 in the side which caused the passenger side mirror to break. Vehicle 1 only had minor damage to the driver side headlight.

I spoke to driver 1 at the scene. She stated that she was stuck in traffic and decided to get into the left lane. She claimed to have looked and thought she was clear to change lanes. She claimed the driver of vehicle 2 came speeding around her which caused the accident.

I spoke to driver 2 at the scene. He stated that he was in the left lane when vehicle 1 attempted to turn into his lane. He stated that she did not indicate a lane change and just drove into his lane and struck his vehicle.

Based on the damage to vehicle 2 it was determined that vehicle 1 was at fault.
