145. Crash Description/Narrative

Vehicle #2 was initially traveling West on Route 88, and Vehicle #2 was following directly behind. Vehicle #2 slowed down to stop for an ambulance that was making a left turn onto Route 88 at the intersection of Jack Martin Blvd. Driver #1 lost control of vehicle #1 and was ejected over the handbars. As a result, Driver #1 struck the rear trunk of Vehicle #2. After colliding with Vehicle #2, Driver #1 got back onto Vehicle #1 and left at a high rate of speed up Jack Martin Blvd towards Route 70. A description of Driver #1 and vehicle #1 was broadcasted by police dispatch, and he was observed by Ptl. Newlund #285 on Burrsville Rd. Ptl. Newlund caught up to Driver #1 and later stopped him in front of his residence where contact was made.

Driver #2 advised that he had a green light but suddenly observed an ambulance with it's emergency lights and siren on coming through the intersection to make a left turn onto Route 88. Driver #2 further stated that he slowed down and stopped just prior to the intersection when he was suddenly struck in the rear by Driver #1. Driver #2 and Passenger of Vehicle #2 both advised that Driver #1 began yelling and cursing at them after the collision. Driver #2 told Driver #1 to pull into the parking lot so they could assess damage to the vehicles. Driver #1 initially agreed, but then suddenly sped off onto Jack Martin Blvd.

145 Crash Description

Driver #1 advised that he was traveling behind Vehicle #2 when Vehicle #2 suddenly stopped for an ambulance that pulled out in front of him. Driver #1 stated that he lost control of the Vehicle #1 and was ejected over the handlebars. Driver #1 further advised that his head and right shoulder collided with the rear of Vehicle #2, and that Vehicle #1 never came in contact with Vehicle #2. There was no damage to the front end of Vehicle #1, and I observed minor scratches down the right side of Vehicle #1 from where it slid across the roadway.

Driver #1 sustained a minor laceration to his right ankle, and complained of pain in his right shoulder. I asked numerous times but Driver #1 refused to be checked by EMS or go to the hospital. Based upon my observations, and statements made by all parties, I find Driver #1 at fault for careless driving.

Additional Information:

Block #29 for Vehicle #1- Vehicle model is GS Bandit.
