145. Crash Description/Narrative

Vehicle 1 was attempting to park, head in, in a marked parking spot at Ocean Heart Group (1530 Route 88).

Vehicle 1 continued through the parking spot, striking and going over the curb, and striking small trees and bushes. Vehicle 1 came to rest in the wooded area.

Driver 1 stated that as she was parking her foot slipped off the brake pedal and onto the gas pedal. This caused driver 1 to accelerate over the curb and into the trees and bushes. Driver 1 put the vehicle in park and turned off the engine as soon as the vehicle came to rest.

*Box #86, #88, and #90, Injuries, 99-Other: Driver 1 complained of severe shortness of breath caused by anxiety due to the crash. Due to the effects of the crash coupled with driver 1 having COPD, she was transported to Kimball Medical Center.

Investigation revealed that the cause of the crash was due to driver 1 accidentally pressing the gas pedal when her foot slipped off of the brake pedal, causing her to accelerate instead of stop in the parking spot.
