145. Crash Description/Narrative

On 10/13/18 at 1619 hours I was dispatched to the area of Rt 88 and Old Squan Rd in reference to a four car motor vehicle accident. Dispatch advised there were no injuries and the vehicles were attempting to move out of the roadway. Upon arrival I observed vehicle 1, 2, and 3 pulled off onto the shoulder in front of 2019 Rt 88. All 3 vehicles had damage, but were able to be pulled into a nearby parking lot for safety.

Driver 1 advised he was traveling east bound on Rt 88. As he approached the above mentioned address he observed the vehicles ahead of him had all suddenly slammed on their brakes and came to an unexpected to stop. Driver 1 attempted to stop vehicle 1, but failed to do so in time and crashed into the rear of vehicle 2.

Driver 2 advised he was traveling east bound on Rt 88 when the vehicles in front of him came to an abrupt stop. He applied his brakes in time, but was crashed into from behind by vehicle 1. That crash caused his vehicle to then crash into vehicle 3.

Driver 3 advised he was traveling east bound on Rt 88 when vehicle 4 suddenly slammed on his brakes and came to a stop. He was able to stop in time, but vehicle 2 had crashed into the rear of his vehicle. That crash caused

145 Crash Description

his vehicle to then crash into the rear of vehicle 4. Vehicle 4 did not stay on scene and never returned.

Investigation at the scene revealed vehicle 1 was the first vehicle to crash. As vehicle 4 applied their brakes and suddenly came to a stop in traffic it caused all the other vehicles behind it to do the same. Vehicle 1 was unable to stop in time and crashed into vehicle 2. Vehicle 2 was pushed forward and crashed into vehicle 3. Vehicle 3 was pushed forward from that collision and crashed into the rear of vehicle 4. Vehicle 4 was either unaware of the accident or left the scene without returning. No injuries were reported at this time and vehicle 2 was the only vehicle towed from the scene.
