145. Crash Description/Narrative

A motor vehicle crash involving a backing motor vehicle and an unattended parked motor vehicle occurred in front of 214 Jack Martin Blvd. There were no injuries reported at this time. Both vehicle's were able to be driven from the scene.

The owner of vehicle 1 was not present during the crash as his vehicle was parked unattended.

The driver of vehicle 2 provided the following statements in regards to the crash:

She was parked outside of 214 Jack Martin Blvd as she was dropping off supplies to unit D3. Once the supplies were dropped off she got back into her vehicle and proceeded to back out of the parking space. She was parked facing east directly in front of the building in the third spot from the right. Next to her, blocking the other two spaces to her right was another unknown vehicle that was parked perpendicular to the parking stalls. In order to exit without hitting the improperly parked car next to her, she had to back further out. While backing she crashed into vehicle 1 who was located in the parking stalls directly behind her.
