145. Crash Description/Narrative

Crash investigation reveals a two vehicle crash involving a park/unoccupied vehicle in the parking lot of 1640

Route 88 in Brick, NJ. Vehicle 2 was parked in a marked parking spot in the parking lot of 1640 Route 88 facing west.

The driver of vehicle 1 stated as she attempted to pull/turn left into a marked parking spot directly next to vehicle 2, she misjudged the turn into said parking spot. As a result, the upper right/passenger side of vehicle 1 crashed into the lower left/driver side of vehicle 2.

Both vehicles sustained damage as a result of the crash. As I was checking the offices of 1640 Route 88 in Lakewood Twp. PD Officers responded to the owner of vehicle 2's residence where contact was made with the owner of vehicle 2 and all pertinent information needed for this report was obtained.

No injuries were reported and both vehicles were driven from the scene. The driver of vehicle 1 is at fault for the crash.
