145. Crash Description/Narrative

Vehicles 1 and 2 were traveling south on Burrsville Road. Vehicle 2 stopped at the red traffic signal at Burrsville Road/Jack Martin Boulevard. Vehicle 1 didn't stop, at the same red traffic signal and crashed into the rear of vehicle 2.

The driver of vehicle 1 stated, "I reached down for my water bottle. Once I grabbed it, I realized the car was stopped in front of me. I tried to stop, but crashed into the car."

The driver of vehicle 2 stated, "I was stopped at the red traffic signal, when a car crashed into my bumper."

Neither driver had any complaints of pain. Brick EMS responded to the scene to evaluate the child in the car seat. The driver of vehicle 2 refused any further medical attention.

Upon completion of my investigation, vehicle 1 was to be found at fault.
