145. Crash Description/Narrative

Investigation at the scene revealed: Vehicle 1 was legally parked in a parking space in the lot of the 7-11 located at 2075 Rt. 88 facing south. Vehicle 2 was also legally parked in the 7-11 lot facing south in the space next to vehicle 1. The driver of vehicle 1 did not see vehicle 2 and began changing direction early while backing from the parking space. This caused the right front of vehicle 1 to collide with the left middle of vehicle 2.

The driver of vehicle 1 stated he checked his side view mirror prior to backing, but did not see vehicle 2 due to the height difference between vehicles. This led him to believe the space next to him was empty, so he initiated his direction change early while backing. This caused the front right of vehicle 1 to collide with the left middle of vehicle 2.

The driver of vehicle 2 stated she pulled into the parking space next to vehicle 1 and parked. She was waiting for vehicle 1 to back out of the space so she could safely open her door, when vehicle 1 backed and turned directly into her driver side doors.

145 Crash Description

No injuries were reported at this time and vehicle 1 was moved prior to my arrival.

It should be noted that vehicle 1 appeared to be at a stock manufacturer's ride height for that particular make and model.
