145 Crash Description/Narrative

Vehicle one was a marked police vehicle. Driver one stated he was traveling west on Four Seasons Blvd approaching the gate. There was another vehicle in front of him that was traveling under the gate. Driver one assumed the gate operator would leave the gate up for him to travel through, so he proceeded. As vehicle one passed under the gate, the gate came down onto vehicle one.

The gate operator, Jose Figueroa, stated he raised the gate for a vehicle and was watching it pass. He then lowered the gate, not realizing a police vehicle was traveling behind that other vehicle.

PARKING LOT

145 Crash Description/Narrative

Driver of V1 was reversing out of a parking space, Eastbound. D1 reversed into the rear of V2, which was parked. D1 stated there was an Amazon delivery truck in his way and sun glare obstructing his view.

V2 was legally parked.

I determined V1 was at fault but with other contributing factors. The sun glare was very strong at the time of the crash and made reversing difficult. I made this determination based on statements from D1, the location of damage to both vehicles and my observations of the crash scene.

145 Crash Descriptive Narrative

The driver of V1 stated he was traveling west on Stirling Avenue. The driver stated he stopped at the stop sign at the intersection of Linden Avenue before proceeding through. The driver informed me that he did not see V2 when traveling through the intersection and making impact. Damage was to the front end. The driver had no report of injuries.

The driver of V2 stated he was traveling south on Linden Avenue going through the intersection of Stirling Avenue when his vehicle was struck by V1. Damage was disabling to the driver side front wheel. No injuries were reported.

My investigation reveals: V1 was traveling west on Stirling Avenue at the intersection of Linden Avenue. V2 was traveling south on Linden Avenue. V1 failed to stop at the stop sign and proceeded through the intersection, ultimately striking V2. V1 is found to be at fault.

145 Crash Description/Narrative

The driver of V1 stated she was traveling South Bound on New Hampshire Ave approaching the intersection of Oberlin Ave. She observed traffic slowing down and began to slow her vehicle. As she was breaking, her vehicle began to slide forward and crashed into the rear of V2. It appears V1 sustained disabling damaged to the front of the vehicle. V1 was towed by Yitz Auto Body out of Howell, NJ. No injuries were observed or reported by the driver of V1.

The driver of V2 stated he was traveling South Bound on New Hampshire Ave, approaching the intersection of Oberlin Ave. He observed the traffic light to be red and slowed his vehicle down to a full stop. He then felt the impact of V1 crashing into the rear of V2. It appears V2 sustained minor damaged to the rear. V2 was not towed as per the driver's request. No injuries were observed or reported by the driver of V2.

Based on the statements provided and observations, I find V1 at fault for following too closely.

Should be noted, I did observed about 100 Feet of black ice on the right lane on New Hampshire on the South Bound side just before the intersection of Oberlin Ave. County was contacted and informed of the situation.

The Driver of Vehicle #2 stated that prior to the crash she was traveling south bound on Clover St. The Driver of Vehicle #2 stated that both sides of the roadway had vehicles parked along the street. The Driver of Vehicle #2 stated that she stopped to allow north bound travel due to the congestion. The Driver of Vehicle #2 stated that while stopped, Vehicle #1 tried to get by and made contact with Vehicle #2. The Driver of Vehicle #2 stated that the Driver of Vehicle #1 continued to move after making initial contact.

After taking statements from both parties it is possible that both parties statements are true. The north bound lane of Clover St was lined with parked cars upon Police arrival. At this time, I am unable to determine who is at fault.

145 Crash Description/Narrative

Driver of vehicle 1 stated he was travelling west on Greencove Road approaching the intersection of Pressburg Lane when vehicle 2 travelling south on Pressburg Lane never stopped at the stop sign causing vehicle 1 to strike vehicle 2 on the drivers side front rim/tire.

Driver of vehicle 2 stated he was stopped at the stop sign on Pressburg Lane southbound and prior to entering the roadway he noticed the roadway was clear, upon entering the roadway vehicle 1 who was travelling west on Greencove Road struck vehicle 2 on the drivers side front rim/tire.

Upon listening to statements made by both drivers and my observations at the scene I have determined driver of vehicle 2 is at fault due to failure to yield right of way to vehicle. Minor injuries were reported, complaint of pain, no transport to hospital.

145 Crash Description/Narrative

The owner of V1 stated he parked on E Kennedy Blvd around 1645 hours on this date (12/20/2021). He stated when he returned at approximately 1945 hours, he observed that his vehicle was struck on the passenger rear fender, causing damage passenger side taillight as well as the rear bumper.

Investigation: I personally observed V1, which was parked along the curb of E Kennedy Blvd, approximately 75 feet east of Somerset Ave. I observed damage to the passenger rear fender, taillight and bumper. I observed yellow paint transfer along the fender as well. I did not observe any debris left behind by V2. I observed cameras at 940 E Kennedy Blvd which is approximately 100 feet east of the crash location, however they did not point to the street. No other cameras were located in the area.

145 Crash Description/Narrative

The driver of V1 stated she was traveling south on New Hampshire Ave in the middle lane. She was attempting to merge into the right lane in order to turn right onto Pine St. She stated the traffic signal was red and she began to merge. The signal turned green, she continued to merge, and there was a collision with V2.

The driver of V2 stated he was traveling south on New Hampshire Ave in the right lane. The traffic signal changed from red to green. He proceeded forward when V1 merged from the middle lane to the right lane. He was unable to avoid a collision. V1 and V2 collided.

Based on my investigation, V1 caused the crash by not yielding to the right of way of V2.

145 Crash Description/Narrative

The driver of V1 stated she was traveling north on Holly Street when she observed a large truck on her right side, partially in the roadway with a cone next to it. The driver stated she passed the truck and attempted to continue south when a school bus (V2) struck her driver rear fender. Damage is primarily to the fender and rear bumper. No injuries were reported by the driver or passengers.

The driver of V2 stated he was driving south on Holly Street when V1, who was traveling in the opposite direction swerved into his lane. The driver stated he attempted to move over right to avoid impact but was unsuccessful. While moving over to the right, the driver struck the driver side mirror of a parked vehicle (V3). The driver stated there was a large truck parked on his left making it difficult to safely travel south on Holly Street. Damage was minor to the front bumper. No injuries reported by the driver or passengers.

My investigation reveals: V1 was traveling north on Holly Street. V2 was traveling south on Holly Street. There was a truck parked partially in the roadway that V1 attempted to pass and went into V2's side of the road, ultimately causing both vehicles to make impact. V2 attempted to swerve to the right and struck the mirror of V3. The driver of V1 is found to be a fault for failing to yield to V2's right of way. The crash was avoidable.

*I observed a picture on the driver of V2's cellphone of the aforementioned truck. It appeared to be a flat bed that may have been making a delivery to the construction site located on Holly Street. I observed a small traffic cone that was partially in the northbound side of the road. I was unable to obtain the picture.

145 Crash Description/Narrative

Owner of V2 was not present during the accident but was able to provide clear surveillance footage of V1 sideswiping V2 while traveling east bound on Second St.

Driver of V1 stated he was tired due to having being at the hospital for his new born baby and accidentally sideswiped V2. He stated that he had left a note on the vehicle but surveillance footage showed that he did not and Taylor Pharmacy employees stated they did not receive a note.

I was able to locate V1 due to the fact that Taylor Pharmacy had clear surveillance footage of V1 which displayed NJ registration E46MTY. I asked dispatch to run the vehicle through NJDMV which advised me that the vehicle comes back to 55 E Eighth St this town. Upon arrival to the residence I observed V1 parked on the side of the road to have fresh white transfer paint. I made contact with the registered owner of the vehicle and had asked him if he had been in a accident just now and he advised he was.

As a result of the investigation I determined V1 to be at fault due to the driver being tired and not maintaining his vehicle which resulted in him striking V2 which was parked. Driver of V1 reported no injuries at this time.

145 Crash Description/Narrative

Pedestrian stated he was on his bicycle traveling South bound on Madison Avenue crossing 10th Street. Furthermore he stated while in the crosswalk, he was struck by vehicle two who was turning onto 10th street from Clifton Avenue.

Driver of vehicle two stated he was making a right hand turn onto 10th Street from Madison Avenue. As he was completing the right hand turn, he struck the pedestrian who was riding on a bicycle in the crosswalk. Furthermore he stated that he did not see the pedestrian in the crosswalk due to him not wearing a reflective vest.

As a result of my investigation, I have determined the driver of vehicle two to be at fault for failing to yield to a pedestrian in a crosswalk.

145 Crash Description/Narrative

The occupant who occupied the driver seat of vehicle 1 stated, she was parked with the vehicle off. She stated as she opened the driver door, it was struck by vehicle 2. The damage was primarily to the driver door. No injuries reported.

Driver 2 stated, she was pulling into a parking spot when the occupant of vehicle 1 opened the door which caused a collision. The damage was primarily to the front passenger side. No injuries reported.

As a result of my investigation, I, Patrolman Connor Woods #418 determined both parties are at fault. The occupant who occupied the driver seat of vehicle 1, is at fault due to not paying attention prior to opening up the driver door of her vehicle. Driver 2 is at fault, due to not checking her surroundings while entering the parking spot.

145 Crash Description/Narrative

The driver of V1 stated that she was traveling east on 11th Street towards Squankum Road. The driver there was a car coming from the opposite direction and she attempted to continue forward but side swiped a parked vehicle (V2). Damage is minor to the passenger side. No injuries were reported by the driver or passenger.

I personally observed minor damage to the rear passenger fender. I further observed damage V1's passenger side. It should be noted, V2 was parked in a "No Parking Between 7 am - 7 pm" zone (Box 125 '99' refers to this action). V1 and V2 are found to have shared fault. V1 should not have proceeded forward on 11th Street with the inadequate room to safely pass. V2 was improperly parked, making it unsafe for vehicles to safely pass. The Registered Owner of V2, who stated he parked the vehicle, arrived on scene and was advised of such.

145 Crash Description/Narrative

On 12/21/2021 at approximately 1503hrs, I was dispatched to 433 Monticello Ln. for a report of a vehicle crashing into a building. Upon arrival, I met with the driver of vehicle 1 who was identified as Esther Gros. Ms. Gros reported that as she was pulling into the driveway of 433 Monticello Ln., she accidentally pressed the gas pedal instead of the brakes causing her to drive head on into the garage doors. The crash caused both garage doors to sustain moderate damage causing them to both be pushed inwards and the center column between the garage doors was separated at the base. Vehicle 1 sustained minor front end damage and Ms. Gros stated that when she turns the vehicle on, it immediately overheats.

Ms. Gros stated she had pain in her lower back but refused medical treatment at this time.

Inspections arrived on scene and deemed the house was safe to occupy.

145 Crash Description/Narrative

The driver of V1 stated he was stopped at the stop sign on Oak St. He was attempting to make a right turn onto River Ave. He began to turn but did not observe P2 traveling south on River Ave on his bicycle. V1 and P2 collided.

P2 stated he was riding his bicycle south on River Ave. While crossing the intersection of River Ave and Oak St, V1 collided with P2. The operator of P2 did not complain of any pain or show any signs of injury, but was transported to Monmouth Medical Center Southern Campus by request of his guardian via Hatzolah First Aid for precautionary reasons.

Based on my investigation, V1 caused the crash by not yielding to the right of way of P2.

145 Crash Description/Narrative

Driver 1, Aron Israilov was operating a 2020 Hondy Odyssey, NJ V98-MRX. Mr. Israilov stated he was stopped at the stop sign on Princeton Avenue at 4th Street waiting to make a right turn onto 4th Street with his right turn signal activated. While he was stopped and unbeknownst to him a vehicle came along his passenger side and stopped at the stop sign next to him. When he began to make his right turn the passenger side of his vehicle struck the driver side of the vehicle stopped on his right.

Driver 2, Aron Moore was operating a 2021 Kia K5, NJ A98-NMU. Mr. Moore stated he was traveling south on Princeton Avenue approaching 4th Street when he observed vehicle 1 already stopped on Princeton Avenue and 4th Street. He believed vehicle 1 was making a left turn onto 4th Street and didn't observe an active right turn signal so he came along the passenger side of it so he could make a right turn onto 4th Street. While he was stopped vehicle 1 began to make a right turn onto 4th street and struck the front driver side of his vehicle.

Driver 2 was determined to be at fault for improper passing. End of report.

145 Crash Description/Narrative

Driver 1 stated that he was travelling west bound in the right lane of Cedarbridge Avenue when his vehicle began to slip. As his vehicle began to slip he lost control and crashed into vehicle 2 then went into oncoming traffic and crashed into vehicle 3. Driver 1 believes it was due to the wet pavement.

Driver 2 stated that she was travelling west bound in the left lane of Cedarbridge Avenue when vehicle 1 left the right lane and crashed into the front passenger side bumper causing damage. Driver 2 stated that she pulled over and waited for police.

Driver 3 stated that he was travelling east bound in the right lane of Cedarbridge Avenue when vehicle 1 entered his lane travelling against traffic and crashed into the front of his vehicle.

It appeared to me that Vehicle 1 lost control of his vehicle due to the slightly wet pavement causing him to leave his lane and crash into vehicle 2 and vehicle 3.

145 Crash Description/Narrative

Driver of vehicle one stated she was traveling south on Madison Avenue. Furthermore she stated while crossing the intersection at Central Avenue, vehicle two turned left off Madison Avenue and struck her vehicle.

Driver of vehicle two stated he was traveling north on Madison Avenue. Furthermore he stated he stopped in the intersection at Central Avenue to observe the yellow traffic signal and prepare to turn west on to Central Avenue. He then stated he proceeded to turn left on to Central Avenue and did not see vehicle one; subsequently colliding with her vehicle.

As a result of my investigation, I have determined the driver of vehicle two to be at fault due to failure to yield right of way to vehicle one.

145 Crash Description/Narrative

On 12/21/2021, at approximately 1732hrs, I was dispatched to the intersection of Marlin Ave and Oak St. in reference to a crash. Upon arrival, I spoke with the driver of vehicle 2 who was identified as Itzigueri Sihuanca-Morales. Ms. Sihuanca-Morales reported that while she was waiting to make her turn onto Oak St., her vehicle was struck on the front driver side bumper by vehicle 1.

I then spoke to the driver of vehicle 1 who was identified as Anna Janssen. Ms. Janssen reported that when she turned South onto Marlin Ave, she did not observe vehicle 2 and turned too tightly causing her to crash into vehicle 2.

There were no injuries reported at the scene of the crash.

Vehicle 1 sustained disabling damage to the front driver side fender and tire. The tire was flat and the axle appeared to be damaged.

Vehicle 2 sustained minor scratches and dents along the front driver side bumper.

Heshy's Towing towed vehicle 1 to the registered owner's residence.

145 Crash Description/Narrative

Driver of vehicle one stated she was traveling west on State Highway 70. Furthermore she stated she was attempting to activate her cruise control when she "closed her eyes", which caused her to run off the roadway to the right, striking the guardrail on Locust Street.

Based on her statements and my observations at the scene, I have determined the driver's statement to be accurate and consistent with the motor vehicle crash. While at the scene of the crash before being transported to the hospital, driver one stated to Ptl. Jacobs on scene that two hours prior she had taken Tizanidine and a second prescription that she was unable to name but stated it causes drowsiness. Driver of vehicle one was believed to be under the influence of drugs and was transported to the hospital for her injuries. (See Ptl. Jacobs #414 investigation report for further details.)

145 Crash Description/Narrative

On 12/22/2021 at approximately 1615hrs, I responded to Neimann Rd. in reference to a crash. Upon arrival, I met with the driver of vehicle 2 who was identified as Moshe Mermelstein. Mr. Mermelstein reported that while he was traveling South on Neimann Rd., he came to a stop and put on his turn signal to turn left into Yeshiva Shagat Aryeh. Mr. Mermelstein stated that he had to wait for a vehicle traveling in the opposite direction to pass so he could complete his turn. Furthermore, Mr. Mermelstein said that once he began to turn left into Yeshiva Shagat Aryeh, vehicle 1 attempted to pass on his left causing him to strike the passenger side front and rear doors with the front driver side bumper of his vehicle.

I then spoke with the driver of vehicle 1 who was identified as Anna Perlman. Ms. Perlman reported that while she was traveling South on Neimann Rd., vehicle 2 suddenly came out of nowhere and struck the passenger side of her vehicle. Ms. Perlman was unable to confirm if vehicle 2 was in the roadway or on the side of the road but stated that the vehicle was not exhibiting any turn signals.

Due to conflicting statements made by both parties, I am unable to conclusively determine fault.

There were no injuries reported at the scene of the crash.

Vehicle 1 sustained scratches and dents along the passenger side front and rear doors.

Vehicle 2 sustained scratches, cracks and dents on the front driver side bumper and fender.

145 Crash Description/Narrative

On 12/22/2021 at approximately 1509hrs, I was dispatched to Irene Ct. in reference to a crash. Upon arrival, I met with the driver of vehicle 2 who was identified as Chanoch Greenwald. Mr. Greenwald reported that while he was traveling West on Irene Ct., vehicle 1 suddenly pulled out in front of him causing him to strike the driver side door area with the front passenger side of his vehicle.

I then met with the driver of vehicle 1 who was identified as Bluma Spero. Ms. Spero reported that when she attempted to do a K-Turn, she did not observe vehicle 2 and pulled out in front of it causing the crash.

There were no injuries reported at the scene of the crash.

Vehicle 1 sustained scratching and dents along the driver side of the vehicle.

Vehicle 2 sustained scratches and dents along the front passenger side bumper, a shattered passenger side headlight and what appeared to be windshield wiper fluid leaking from the vehicle.

PARKING LOT OF 596 RIVER AVE

145 Crash Description/Narrative

Driver #1 stated she was traveling west through the CVS parking lot located at 596 River Avenue when Vehicle #2 backed out of a parking space and collided with right passenger side of her vehicle.

Driver #2 stated she was backing out of a parking space in the CVS lot and did not see vehicle #1 and the center rear of her vehicle collided with vehicle #1.

Vehicle #1 sustained minor damage to the right passenger side. Vehicle #2 sustained minor damage to the rear bumper.

Based on statements from involved parties and my observations at the scene and damage to the vehicles, I determined that Vehicle #2 is at fault due to driver inattention from backing unsafely.

Driver #2 was found to be operating on an ID only/suspended New Jersey drivers license. Driver #2 was issued motor summons #A291571 for 39:3-40 (Driving while Suspended).

*BOX 55: Vehicle #2 is insured out of state and there is no 3 digit code.
