Motor Vehicle Accident # 2016-195

On 03-17-2017 at approximately 1631 hours, Patrolman O'Hara 405 and Patrolman Greenwood 412 were dispatched to a two car motor vehicle accident on County Route 530 (CR530) near Lacey Road with entrapment. I (Patrolman Steffen 409) was in the area of Ridgeway Road and State Highway 70 when the accident was dispatch and responded for additional support. Upon arrival, Patrolman Greenwood, Patrolman O'Hara, Whiting Fire Department, MONOC medics, and Quality Medical Transport (QMT) were on scene and had the road closed.

I observed a blue 2006 Lexus GX 470 bearing New Jersey registration OE1375 on CR 530, with heavy front end damage. This vehicle was unoccupied and Patrolman O'Hara stated the male operator of the Lexus was in the OMT ambulance and can be identified as Fred Wood JR. (Wood) I observed the second vehicle with heavy front end damage to be in the grass area of 66 Lacey with one male occupant still inside and the front airbags deployed. This vehicle was observed to be a blue 2016 Ford Escape bearing New Jersey registration F19FTR. Patrolman O'Hara stated the male occupant of the Ford Escape was Thomas Kubes (Kubes) and was pronounced dead by MONOC medics on scene.

Patrolman O'Hara requested me to get pertinent information from Wood, who was inside the QMT ambulance receiving medical attention. While speaking with the QMT employees, they stated Wood had advised them that he had three beers prior to the accident. Dispatched advised responding units a helicopter had been contacted to transport Wood to the hospital due to his injuries and would be landing at Bowker field located on CR530 in Whiting. I followed the QMT ambulance to Bowker field in patrol vehicle #75. While at Bowker field, I entered the QMT ambulance to speak with Wood, who was alert and conscious. While speaking with Wood, he stated prior to the accident, he had approximately three (3) beers before driving his 2006 Lexus GX 470. I observed Wood's eyes to be watery and bloodshot. Wood stated he could not remember exactly what time he had the beers and stated it was earlier in the afternoon. This conversation with Wood was recorded on my I-COP recording mic. The helicopter, identified as NJSP South Star (N5NJ) transported Wood to Jersey Shore Medical Center for his injuries with medics on board. Prior to the departure of the helicopter, I advised medics a blood draw kit will be administered on Wood.

Sergeant Hankins, Manchester Traffic Safety Unit Patrolman Ellis, Patrolman Lynch, and Patrolman Anderson arrived on scene to assist with the investigation. OCSD Officer Landicina, Ocean County Prosecutor's Office (OCPO) Officer Frank, OCPO Officer Paciulli, and Dr. Brosky from the Ocean County Medical Examiner's Office arrived on scene to assist with the investigation.

Motor Vehicle Case # 2016-195

On 03/17/16 at approximately 1631 hours, Ptl. Greenwood and I were dispatched to a motor vehicle accident on CR 530 near Lacey Road. I arrived and observed one vehicle with major front end damage on CR 530 and one vehicle with major front end damage on the grass area of 66 Lacey Road. There were numerous people outside near the accident. Off-duty Detective Wright with the Ocean County Sheriff's Department (OCSO) was on scene and assisted with the investigation.

The vehicle that was on CR 530 was identified as a blue 2006 Lexus GX 470 bearing NJ registration (OE1375). There was no one inside the vehicle. The Lexus vehicle was observed to have front airbag deployment.

The vehicle that was on the grass area of 66 Lacey Road was identified as a blue 2016 Ford Escape bearing NJ registration (F19FTR). The vehicle had one male occupant, later identified as Thomas Kubes, who was entrapped inside the vehicle. The Ford vehicle was observed to have front and side airbag deployment. Mr. Kubes was observed to have multiple injuries and was unresponsive. I immediately checked for Mr. Kubes' pulse by placing my two fingers on his wrist (radial artery) and on his neck (carotid artery). I did not feel any pulse. I was unable to get Mr. Kubes out of the vehicle at this time. Mr. Kubes appeared to be deceased. I contacted dispatch that I would need an ambulance and a helicopter for injuries. I also advised dispatch that I would need a traffic safety officer on scene, as well as, the fire department.

I then checked on the operator of the Lexus, identified as Fred Wood Jr. Mr. Wood also had multiple injuries. Mr. Wood advised me that he had pain in his chest and I observed a laceration on his nose. Ptl. Greenwood later advised me that he also observed a laceration on Mr. Wood's left hand and left wrist. Mr. Wood advised me that he was traveling westbound on CR 530. Mr. Wood stated that it began to rain and that he had both his windshield wipers and lights on. Mr. Wood described the rain to be coming down in large quantities. Mr. Wood advised me that he did not know where the other vehicle came from. Mr. Wood stated that he did not remember anything from the accident until he was being assisted out of his vehicle.

Quality Medical Transport (QMT) arrived on scene. Mr. Wood and Mr. Kubes were checked by QMT. QMT advised me to cancel the helicopter. Whiting Fire Department arrived on scene. Whiting Fire Department set up a detour for CR 530. Monoc arrived on scene and pronounced Mr. Kubes dead at 1659 hours. Monoc contacted Dr. Tanis from Newark Beth Israel Hospital to make the pronouncement. Monoc then requested a helicopter for Mr. Wood.

I spoke with a witness, identified as [redacted], Phone [redacted]. Ms. [redacted] explained that she was a nurse and that she did not observe the accident. [redacted] advised me that she heard the accident and went to check on Mr. Kubes. [redacted] stated that she checked for a pulse on Mr. Kubes and stated that she believed that she felt a pulse for a short time. [redacted] stated that prior to my arrival; she was unable to feel the pulse anymore.

Ptl. Steffen and Sgt. Hankins arrived on scene to assist with the investigation. Ptl. Steffen advised me that Mr. Wood stated to QMT employees that he had been drinking that day. Ptl. Steffen followed Mr. Wood in the QMT ambulance to Bowker Field on CR 530. Ptl. Steffen advised me that Mr. Wood stated to him that he had approximately three (3) beers early that day in the afternoon hours. The helicopter, identified as NJSP South Star (N5NJ) transported Mr. Wood to Jersey Shore Medical Center for his injuries.

Ptl. Ellis, Ptl. Lynch, and Ptl. Anderson of the Manchester Police Traffic Safety Unit arrived on scene to assist with the investigation. OCSO Officer Landicina, Ocean County Prosecutor's Office (OCPO) Officer Frank and Officer Paciulli, and Dr. Brorsky from the Ocean County Medical Examiner's Office arrived on scene to assist with the investigation. I obtained two statement forms from witnesses and gave them to Ptl. Lynch. See Ptl. Lynch's report for further information.

Case # 2016-195

On 03/17/16 at approximately 1631 hours, Ptl. O'Hara and I were dispatched to the area of CR 530 and Lacey Road for a reported motor vehicle accident with injuries. Prior to arriving on scene, Ptl. O'Hara advised dispatch to send the Whiting Fire Department, an additional ambulance, and a helicopter for the injuries.

Upon arrival, Ptl. O'hara, Quality Medical Transport (QMT), and the Whiting Fire Department were on scene. I observed a blue Lexus GX 470 (NJ Reg: OE1375), with heavy front end damage still in the roadway. I observed a second vehicle (blue 2016 Ford Escape/NJ Reg: F19FTR), with heavy front end damage on the grass area of 66 Lacey Road, with one male occupant still inside the vehicle with front airbag deployment.

Shortly after my arrival, MONOC medics arrived on scene and pronounced the male occupant of the Ford Escape, Thomas Kubes, dead at 1659 hours. At that time, I began speaking with the operator of the Lexus, identified as Fred Wood Jr., while he was sitting on the curb being assessed by QMT. While speaking with Mr. Wood Jr., I observed a minor lacerations to his nose, left hand and left wrist. Mr. Wood Jr. also complained of chest pain. Mr. Wood stated that he was traveling westbound on CR 530 when it started raining heavily, but did not remember getting into a motor vehicle accident.

After speaking with Mr. Wood Jr., I obtained two (2) statement forms from witnesses and gave them to Ptl. O'Hara. Sgt. Hankins, Manchester Traffic Safety Unit Ptl. Ellis, Ptl. Lynch, and Ptl. Anderson arrived on scene to assist with the investigation. Ocean County Sheriff's Department (OCSD) Officer Landicina, Ocean County Prosecutor's Office (OCPO) Officer Frank, OCPO Officer Paciulli, and Dr. Brosky from the Ocean County Medical Examiner's Office arrived on scene to assist with the investigation. Reference Ptl. Lynch's report for further information.

Crash Description

This crash occurred on Thursday, March 17, 2016, at approximately 1631 hours (4:31pm). The location of the crash was reported as #66 Lacey Road approximately 700 feet from the intersection of County Route 530 and Lacey Road. The crash involved two vehicles with one occupant in each vehicle. There was one injury and one fatality as a result of the crash. The weather at the time of the crash was cool and it had been raining at the time when the crash occurred.

County Route 530 in the area of the crash is a two lane roadway which travels in a nominal east / west direction. The roadway in the is separated by a designated center turn lane for right and left turns in each direction. The turn lane is approximately 12 feet wide. The travel lanes are also approximately 12 feet wide and there are 8 foot wide paved shoulders on both the east and west bound sides of the road, which are separated from the travel lanes by a white painted fog line. The roadway is paved with a bituminous asphalt. The center turn lane is separated from the east / west travel lanes by yellow painted centerlines. The roadway edges are curbed concrete. The posted speed limit on County Route 530 in the area of the crash is 40 MPH.

Vehicle #1, a 2006 Lexus GX 470, blue in color, bearing New Jersey Registration OE1375. Vehicle #1 was being operated by the registered owner, 69 year old, Fred E. Wood Jr. Mr. Wood was traveling alone at the time the crash occurred. He was reported to have been wearing his safety belt. Vehicle #1 was equipped with airbags which deployed as a result of the crash. Mr. Kubas had exited his vehicle after the crash occurred and was sitting on the curb of the west bound shoulder upon first arrival by the Police. He was transported to the hospital for a complaint of chest pain and some cuts to his face.

Vehicle #2, a 2016 Ford Escape, blue in color, bearing New Jersey Registration F19FTR. Vehicle #2 was being operated by the registered owner, 71 year old, Thomas E. Kubas. Mr. Kubas was traveling alone at the time of the crash. He was observed to have been wearing his safety belt after the collision. Vehicle #1 was also equipped with front and side airbags which deployed as a result of the crash. Mr. Kubas was entrapped in his vehicle as a result of the crash. He was unresponsive and not breathing upon police arrival. He was later pronounced by paramedics.

Vehicle #1 was observed in its final rest position in the roadway facing east straddling the east bound lane and the center turn lane. Vehicle #1 had sustained significant front end and centroid of damage on the driver front corner. Vehicle #2 was observed at its final rest position off the roadway on the grass of the southeast side of County Route 530 facing north. Vehicle #2 had sustained significant front end and centroid of damage on the front driver corner.

Driver of vehicle #1 was interviewed by detectives from the Ocean County Prosecutors Office after the crash. In addition, he also uttered statements to officers at the scene. (See supplemental reports)

Written witness statements are also included in supplemental reports.

Investigation determined that vehicle #1 was traveling west on County Route 530 prior to the crash. Vehicle #2 was traveling east on County Route 530 prior to the crash. Vehicle #1 traveled over into the center turn lane and then continued into the east bound lane of County Route 530 where it collided with vehicle #2. Impact consisted of vehicle #1 striking the driver front corner of vehicle #2 with the driver front corner of vehicle #1. Then vehicle #1 rotated counter clockwise to final rest. Vehicle #2 also rotated counter clockwise to its final rest position.

Officers on the scene determined that the driver of vehicle #1 had consumed alcoholic beverages prior to operating his vehicle. As a result, a blood kit was sent to the hospital to collect samples of his blood for determining the level of intoxication. The test results are listed on the crash report.

Based on all available evidence and information, the burden of responsibility for this crash rests with the driver of vehicle #1 Fred E. Wood Jr. Mr. Wood was charged with a driving while intoxicated in violation of N.J.S.A. 39:4-50, reckless driving in violation of N.J.S.A. 39:4-96, and failure to maintain lane in violation of 39:4-88b. In addition, he was charged with vehicular homicide a violation of N.J.S.A. 2C:11-5.
