145 Crash Description

V1 advised they left their key fob for the vehicle in the vehicle, which she believes was turned off due to the car alarm not sounding at the time the key was inside. She stated she was in the store for approximately fifteen minutes when she observed a vehicle had struck the building between Bed Bath and Beyond and Famous Footwear. At this time she realized the vehicle was hers, which she parked across the street in the parking lot. No damage was observed on the building at this time. I removed the vehicle from the sidewalk and observed minor scratches and a small dent to the rear passenger side bumper. The vehicle was unoccupied at the time of the incident.

Construction Official from Aberdeen Township deemed the building safe and observed no detrimental damage at this time.
