Re: OPRA request dated February 11, 2020

Dear Mr. Rozzi,

I am the Assistant Prosecutor tasked with responding to OPRA requests on behalf of the Warren County Prosecutor's Office (WCPO). Your request for documents concerning Narcan/Naloxone use reports for 2019 is hereby noted.

WCPO no longer receives Naloxone reports from the local police departments in Warren County. This is because the local police departments input the information directly into a statewide database called OD Mapping. Therefore, WCPO does not possess the records you seek.

Possible alternative avenues would be to seek the desired records directly from the individual police departments in Warren County or, perhaps, the New Jersey State Police, who administer the OD Mapping program.

Respectfully,
