Services of Progressive Energy Consultants, LLC

We negotiate the lowest rate between several suppliers, saving you the time and inconvenience incurred with this process. We then provide a short and simple summary for your review.

We drive down the margins of the supply companies by hosting a bid and getting the supply companies to compete for your business.

We continue to service the accounts throughout the term; following rates and updating you on market changes. If the trends flip, we can advise of the best time to hold renewal pricing.

Projected Future Market

Projected Wholesale Futures

This information depicts the wholesale price of electricity in your territory. This shows that holding a rate now will allow for very competitive prices.
