Captain

Name: _____

Area: _____

Neighborhood Watch is a Community Policing / Crime Prevention Program coordinated by the Neptune City Police Department (NCPD). The program is strictly voluntary to all involved and at no point are members to intervene in any incidents. Its main function is to provide additional "eyes and ears" to the Police Department, as well as open up two-way communications between NCPD and the citizens that it serves.

I (as signed below) have agreed to accept the position as Member of the area Neighborhood Watch Group listed above.

As a Member, I realize that I am a resident of my neighborhood and I want to maximize the potential and the quality of life of my neighborhood.

- I will be a positive role model to my neighborhood. I will advise the Neighborhood Watch Block Captain whenever someone expresses interest in becoming involved in Neighborhood Watch.
- I will make the Neighborhood Watch Block Captain aware of any problems or incidents that I think may affect my neighborhood or my community.
- I will bring my concerns that I receive immediately to the attention of the Neighborhood Watch Block Captain who will then bring them to Neptune City Police Department. **If an incident or emergency is occurring, I will immediately contact the Neptune City Police Department.**
- I will attempt to assist the Police Department in any program that they may be sponsoring for the good of the Community.

By signing, I certify and attest that I attended the basic NW program conducted by the NCPD and have read and fully understand all of the responsibilities of a Member.
