RE: Notice of Non-Compliance – Failure to Submit Service Line Documentation
New Brunswick Water Department
PWSID No.: 1214001
EA ID #: PEA240001 - 1214001
Violation # 4189

Dear Alexei Walus:

Enclosed is a Notice of Non-Compliance (Notice) issued by the New Jersey Department of Environmental Protection (Department). Any submissions related to this Notice should be sent to the Department's Division of Water Supply and Geoscience (Division) via email to watersupply@dep.nj.gov and reference your PWSID No., the violation number, and the specific submission and/or form number in the subject line. If you need further assistance contact the Division at watersupply@dep.nj.gov or at 609-292-5550 and ask to speak to someone regarding your lead service line inventory violation. When contacting the Division, reference PWSID NJ1214001 and EA ID #: PEA240001 so that we can assist you more efficiently.

Sincerely,

Matthew Wilson, Bureau Chief
Bureau of Safe Drinking Water

NOTICE OF NON-COMPLIANCE

EA ID #: PEA240001 - 1214001

Name: New Brunswick Water Department
Location: 1 Comstock St.
New Brunswick, NJ 08901
Identifying #: PWSID No. 1214001
Violation # 4189

You are hereby Notified that a review of our records conducted on January 03, 2024 found that your facility was out of compliance with the requirements promulgated pursuant to P.L. 2021, Ch. 183. This Notice of Non-Compliance (NOTICE) has been recorded as part of the permanent enforcement history of New Brunswick Water Department at the above location because your water system failed to comply with the following requirement:

Requirement: All public community water systems are required to provide a lead service line replacement plan detailing how the water system intends to replace all lead service lines within their drinking water system to the State in accordance with P.L. 2021, Chapter 183. [P.L. 2021 Ch.183]

Violation Details: FAILURE TO SUBMIT ANNUAL LSLR PLAN for STATE RULE for the period beginning 08/01/2023.

In response to this Notice of Non-Compliance, the following corrective action must be undertaken to achieve compliance:

- Create or update your *Lead Service Line Replacement Plan* and submit to watersupply@dep.nj.gov no later than **15 calendar days** from the receipt of this letter.
- The *Lead Service Line Replacement Plan* Template and additional resources to assist you in completing this form are available on the Department's website at <https://www.nj.gov/dep/watersupply/>.

Please note that failure to comply with the above requirements will result in a referral of New Brunswick Water Department to the Bureau of Water Compliance and Enforcement for formal enforcement action.

This Notice of Non-Compliance does not constitute final agency action and may not be appealed or contested. The issuance of this Notice or your compliance therewith does not preclude the State of New Jersey or any of its agencies from initiating formal administrative and/or judicial enforcement action, including assessment of penalties, with respect to the items of non-compliance listed above or for any other violations. Violations of the above regulations are subject to penalties of up to \$25,000.00 per day/offense and in the event of formal administrative or enforcement action, you may appeal or contest such action and penalties.

Issued by: Mathew Wilson, Bureau Chief
Bureau of Safe Drinking Water
