A request for access to a government record under OPRA must be in writing, hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian (N.J.S.A. 47:1A-5-5.g). The seven (7) business day response time does not commence until the records custodian receives the request form. If you submit the request form to any other officer or employee of the Township of Jackson, that officer or employee must either forward the request to the appropriate custodian, or direct you to the appropriate custodian (N.J.S.A. 47:1A-5.h). Some records will be immediately available during normal business hours. Some records will require time to compile and to make the copies requested, but will normally be available during normal business hours and within seven (7) business days. If any document or copy which has been requested is not a public record or cannot be provided within the seven (7) business days, you will be provided with a response with that information within the seven (7) business days. Some records requested have specific fees or other response times established by statute. There is no fee involved in simply inspecting a document during normal business hours. This request may be filed electronically. In general:

- Immediate access is ordinarily available for budgets, bills, vouchers, and contracts, including collective negotiations agreements and individual employment contracts and public employee salary and overtime information. Minutes of public meetings will be generally available immediately after the minutes have been approved.
- Records which are not readily available or which will require a search of records will be made available as soon as possible and the applicant will be provided with an interim report within seven (7) business days indicating the time which will be required to provide the records.
- Except as otherwise provided by law or regulation, ***the fee assessed for the duplication of a government record embodied in the form of printed matter shall be \$0.05 per letter size page or smaller and \$0.07 per legal size page or larger. Fees assessed to purchase copies of police accident reports shall be \$0.05 per letter size page or smaller and \$0.07 per legal size page or larger. If copies of said accident reports are requested other than in person, an additional fee of up to \$5.00 may be added to cover administrative costs of the report (refer to N.J.S.A. 39:4-131). Delivery/postage fees additional depending upon delivery type.***
- Where a request is for a copy in a format other than a photocopy, reasonable efforts will be made to provide the information in the format requested. The costs will be based on the costs of producing the format requested.
- Where a legal determination must be made as to whether records are “public records” as provided by law, the request will be reviewed by the Municipal Attorney.

The term “public records” generally includes those records determined to be public in accordance with N.J.S.A. 47:1A-1. The term does not include employee personnel files, police investigation records, public assistance files or other matters in which there is a right of privacy or confidentiality or which is specifically exempted by law.

The Applicant hereby acknowledges receipt of a copy of this form with the date on which the information is expected to be available and the estimated cost. The applicant hereby certifies that he or she has not been convicted of any indictable offense under the laws of this State, any other state or in the United States and is not seeking government records containing personal information pertaining to a victim or the victim's family as provided by N.J.S.A. 47:1A-1, et seq.

This form, when signed by the Municipal Official shall constitute a receipt for any deposit received.

Note: A request **MUST** specify (with reasonable clarity) the specific record you are seeking copies of. A requestor must specifically describe the document sought. Bent v. Stafford Police Department, 381 N.J. Super. 30, 37 (App. Div. 2005). As such, a proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents.

In conclusion, OPRA is not intended as a research tool to "force government officials to identify and siphon useful information". Rather, OPRA simply operates to make identifiable government records 'readily accessible for inspection, copying, or examination.' MAG Entertainment, LLC v. Division of Alcoholic Beverage Control, 375 N.J. Super. 534, 546 (App. Div. 2005). The Court further held that "[u]nder OPRA, agencies are required to disclose only 'identifiable' government records not otherwise exempt. In short, OPRA does not countenance open-ended searches of an agency's files." Id. at 549.
