In regards to Request 2, the records you have requested may not be in the League's possession. The records you request pertain to a matter the League was involved in prior to the 2011 NJ Supreme Court Decision that

interpreted the League to be subject to the Open Public Records Act, (see, Fair Share Housing Center, Inc., vs. NJ State League of Municipalities, 207 N.J. 489, (2011)). While it is possible that these records are available, my ability to search for documents responsive to your request is constrained by the realities of the current COVID-19 pandemic. Due to the pandemic I am working remotely and, while I have access to electronic files, my access to physical files is limited. I will be making arrangements to search the physical files in storage but at this moment cannot give a timeframe for when this can be achieved. Once I have the opportunity to search these files I will respond with a definitive response to your request.

If you have any questions or would like to discuss this matter further, please do not hesitate to contact me.

Very truly yours,

Danielle/Donna:

I am looking for assistance in getting my CEU Cert and a copy of the PowerPoint Presentation for the webinar I attended on 5/15.

As shown below, in my email to Danielle (on 5/14), I never received the link for the webinar.

After searching my emails and determining I still hadn't received a link, I called Donna and she sent it to me (copy of email):

> *Phone 609.695.3481, extension 111*

I joined the webinar & answered the questions…(left a message that something odd happened

when answering the first question and hoped it registered), but I have not received the CEU Certificate.

I haven't previously experienced any issues with receiving correspondence for webinars. I received the May 7, 2020 email: *"**Subject:** Ask OPRA-We Need Your Questions"* (below), so it appears the system knew I was registered.

Maybe my email address is misspelled somewhere? Can you please check into this and also send me the CEU Certificate and PowerPoint presentation?

Thank you!

My assistant asked the following: *1. How long do we have to wait before closing out a request for an On-Site review once the requester has been notified that the documents are ready? Sometimes they never respond or show up to do review of records.*

Also, I have not received an email regarding signing in tomorrow. U usually receive at least a few days prior, so thought I'd check. Thanks

Christina,

Apart from the certifications of service, it doesn't appear there were any other certifications filed. Attached are three other documents filed by the State Attorney General regarding the motion to dismiss. None have any certifications attached.

Frank,
In reviewing what you sent to me, where there certifications in support/opposition of the motion for summary judgment? If so, would I be able to request them as well?
Thank you.
