Dear Talent Acquisition Team,

My name is Brian Richmond and I'm writing about the State Park Police Officer position Vacancy # SPFHS-2024-21. I am interested in this position because I believe my 13 years. of federal experience with the Department of Homeland Security Transportation Security Administration (TSA) and positions held at all levels as a Supervisor, Lead, Officer, and Training Instructor, in Customs and Border Protection (CBP) as an Officer. My Security and Law Enforcement experience can benefit your organization. I believe my leadership, communication, and team collaboration skills can also be an asset to the organization.

The opportunities I've had to work with a variety of security professionals and customers have also helped me develop my customer service, communication and interpersonal relationship-building skills.

I believe my expertise and technical skills can have a positive impact on or with this position. Thank you for taking the time to read my letter and consider me for the available Investigator Position. I've attached a copy of my resume to this letter to further expand on my extensive experience. Please feel free to contact me via phone or email to discuss my qualifications or the position. I look forward to hearing from you soon.
