Dear State Park Police,

I am writing to express my interest in New Jersey State Park Police. With my previous military experience and a passion for environmental conservation, and a dedication to providing exceptional visitor experiences, I believe I can make a significant contribution to the preservation and enhancement of New Jersey's natural resources.

During my service in the United States Navy as a Gunner Mate, I developed strong skills in leadership, teamwork, and problem-solving in high-pressure situations. My experience in overseeing and maintaining equipment, coupled with a keen attention to detail, has prepared me to take on responsibilities that require precision and a proactive approach to safety. I believe these qualities align perfectly with the mission of the New Jersey State Park Police to uphold the integrity of the parks and maintain a safe and welcoming environment for the public.

My educational background in business administration and public relations has also equipped me with excellent communication skills, allowing me to engage effectively with park visitors and promote values of conservation and sustainability. I am enthusiastic about the opportunity to support the New Jersey State Park Police in preserving the state's natural and cultural heritage, while fostering a deeper connection between the community and these treasured landscapes.

I am excited about the prospect of bringing my skills, dedication, and experience to your team, and I look forward to the opportunity to discuss how I can contribute to the continued success of the New Jersey State Park Police. Thank you for considering my application.

Sincerely,

Karley Hawkins
