Dear Hiring Committee,

I am writing to express my strong interest in the NJ State Park Police Officer position. As someone who has lived in the Pine Barrens my entire life, I have a deep connection to New Jersey's natural landscapes and a passion for protecting them. This lifelong love for the outdoors drives my desire to serve as a State Park Police Officer, where I can help protect our parks and ensure they remain safe for all to enjoy.

Growing up in the Pine Barrens has given me a unique appreciation for the environment and the importance of preserving it. My degree in Sustainable Development from Columbia University has equipped me with a solid understanding of environmental issues and the critical role law enforcement plays in conservation. I am eager to bring this knowledge into practice by protecting our state's natural resources.

Throughout my life, I have actively engaged with the outdoors, whether through hiking, fishing, or simply enjoying the beauty of the Pine Barrens. These experiences have deepened my commitment to protecting our natural environment and have prepared me to handle the challenges of working as a State Park Police Officer.

I am excited about the possibility of contributing to the safety and conservation of New Jersey's state parks. I believe my background, combined with my lifelong connection to the Pine Barrens, makes me a strong candidate for this role. I would appreciate the opportunity to discuss how I can contribute to the NJ State Park Police.

Thank you for considering my application.

Sincerely,
Joseph Manchio
