Good Afternoon Captain Giblin -

This is to ask for your assistance in alerting the force that we, as a school administration, have been made aware of escalating tension between a number of our school families.

While I am not aware of the original genesis of the tension, I was made aware that it has rapidly escalated over the course of this weekend.

The families involved in the most recent text messages that were forwarded to my attention include:

Other families that have been involved in informing us of their concerns in the [REDACTED] household are as follows:

Additionally, one of the families reported to us that they believe there is a gun or guns within the [REDACTED] household.

Please never hesitate to contact me directly if you are in need of additional information.

Thank you for your assistance.
