Instructions for Voting

- Press the button ☐ to the right of the candidate of your choice. A green "X" will appear next to your selection.
 - To change a selection, press the button ☐ again. The green "X" will disappear and you may make a new selection.
 - If you wish to cast a **WRITE-IN** vote, go to the **PERSONAL CHOICE** column and press the button next to the **WRITE-IN** across from the office you wish to write in. Using the alphabetical keyboard below, enter the name of the person of your choice, one letter at a time. To make a space between the first and middle name or initial and last name, use the arrow pointing to the right on the keyboard. To make a correction, use the arrow pointing to the left. The name you enter will appear in the display to the left of the keyboard. Prior to pressing **ENTER** for a write-in vote, be sure you have verified the spelling of the person's name and you have selected the correct office. After you have completed your selection, press the **ENTER** key on the keyboard. Your choice will be recorded and removed from the display.
 - WARNING:** If instructions for a write-in vote are not followed exactly, then you have an improperly cast write-in vote, which will be void and not counted.
 - After you have made all of your selections, press the **RED CAST VOTE BUTTON** located in the lower right corner. This electronically records all of your votes.
 - Part the curtains and exit the voting booth.
- Before entering the machine, if you have any questions about voting, ask the District Board Worker.
