Subject: [EXTERNAL]Re: Challenge Credential Question for GE & EV ready to be picked up.

Good Evening Diane,

AGAIN I have to apologize for my delay (crazy time of the year for all!), but I want to thank you for your patience.

For Scott Dellett, if we could move Carolyn Latshaw to District #1 I would greatly appreciate it.
For Dana Farley, we can remove Georgette Thomas from the challenger list. The good/unfortunate news I got today was that she can no longer help that morning.

Thank you sincerely again, I really do appreciate it. For pick-up, is it ok if I have Emily Certo grab the challenger credentials when ready? If not, it is no problem at all.

Have a great night!
- Brian T.

Hi Brian,

Just one question for the # of challengers below:

You have 3 people slated to challenge in Distr. #2 for Scott & Dana. Unless one of them is County Committee and challenging (only in their own voting district) you would have to delete one. Only 2 challengers per Candidate (Scott or Dana) per district.

Dana: Dist 2: Courtney Wilson, Brandon Wilson & George Thomas

Scott: Dist 2: Danielle Pappas, Carolyn Latshaw & Sharon Dellett (fyi, her last name listed in our system as Cooperstein – I can under Dellett)

For Scott, you can move 1 of them to #1 where you only have Connie Adcock.

Call/email me any questions. You're Early voting Challenge Credentials are ready to be picked up – I can incl. these if you get back to me by tomorrow. I'll be in office tonight until 9p if you want to review.
