| <b>Addendum Disposition Notes:</b> Your request for "all written forms of communication between all NJDEP employees and Oakland Borough employees pertaining to the following topics and terms for the past 10 years: Administrative Consent Order or ACO, Sewers, and STP(s)" is improper, being overbroad and requiring research and correlation of data. Government agencies are required to disclose identifiable government records that are specifically described in the OPRA request. See N.J.S.A. 47:1A-1 and -1.1. OPRA does not permit open-ended searches of agency files, nor does the law allow a request for every document an agency has on file on a specific subject matter. OPRA also does not require government agencies to conduct research in order to respond to a request for records. See, for e.g., MAG Entertainment LLC v Div. of Alcoholic Bev Control, 375 NJ Super 534, 549 (App Div. 2005); Bent v Twp Of Stafford, 381 NJ Super 30, 37 (App Div. 2005); Gannett NJ Partners v Middlesex, 379 NJ Super 205, 212 (App Div. 2005), which address the principles stated above. 2. Pursuant to OPRA (C.47:1A-5c & C47:1A-5d), the Department will apply special service charge for any extraordinary expenditure of time and effort to accommodate a request. The special service charge will be based on the actual direct cost of providing the records. The requester shall have the opportunity to review and object to the charge prior to it being incurred; however, in the event the requester objects to the special service charge, the request will be closed and access to the records will not be granted.
3. By law, the Department must notify you that it grants or denies a request for access to government records within seven business days after the custodian of the record requested receives the request, provided that the record is currently available and not in storage. If the record requested is not currently available or is in storage, the custodian will advise you within seven business days when the record can be made available and the estimated cost. You may agree with the custodian to extend the time for making records available, or granting or denying your request.
4. You may be denied access to a government record if your request would substantially disrupt agency operations and the custodian is unable to reach a reasonable solution with you.
5. If the Department was unable to comply with your request for access to a government record, the custodian will indicate the reasons for denial on the request form.
6. Except as otherwise provided by law or by agreement with the requester, if the custodian of the record requested fails to respond to you within seven business days of receiving a request form, the failure to respond will be considered a denial of your request.
7. **Resolution of Disputed Findings:**

In the event that a requester does not agree with the Department's record response, the requester should:

**No Records** - Reexamined the request details to evaluate if all of the information was provided that could aid the Department in locating records. The Department's ability to identify records of interest is in direct correlation to matching the Department information with the information provided on the request. Such important identifiers are Facility/Site Name, Address, Case #, Permit #, Block/Lot.

**Denial** - If your request for access to a government record has been denied or unfilled within the time permitted by law, you have a right to challenge the decision by the Department to deny access. The Department denies access to records only when those records do not meet the definition of a government record and/or public access is not allowed pursuant to the law. At your option, you may either:

- a. Contact the Office of Record Access to re-visit the matter or provide further explanation.
- b. Institute a proceeding in the Superior Court of New Jersey
- c. File a complaint in writing with the Government Records Council (GRC). You may contact the GRC by toll-free telephone at 866-850-0511, by mail at PO Box 819, Trenton, NJ, 08625, by e-mail at [OPRA@NJ.gov](mailto:OPRA@NJ.gov) or at their web site at [www.state.nj.us/grc](http://www.state.nj.us/grc).
