Mayoral Aide focused on Constituent Services, Social Media management, promotions and Public Relations.

PERTINENT EXPERIENCE

February 2023—Present

Confidential Aide, Department of Administration, Mayor's Office Manchester Township NJ

Responsibilities: Maintaining and updating the Mayor's social media accounts, attending Township events and functions solely and with the Mayor to keep our constituents informed and advised. Sharing posts and information to multiple social media groups and accounts for maximum exposure. I also create social media posts, featuring local businesses and organizations with the intent of promoting their products and services to a large on-line audience, thereby encouraging people to patronize the merchants, and bolstering our local economy.

Shooting photographs and videos at various events, editing and posting same. I also assist our Township residents as they interact with various municipal, county, state and federal departments and agencies, as well as non-government organizations that provide assistance to Senior citizens, families and individuals with help in various situations.
