Re: Open Public Records Act Request

Dear Truth Seeker:

The Board is in receipt of your request for records under the Open Public Records Act. Your request was received on August 6, 2022. Specifically, your request sought:

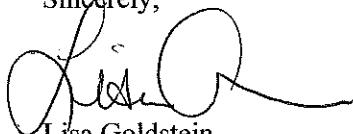

1. All emails sent to and from Chari Chanley and any board members between July 29, 2022 and August 4, 2022 with the subject heading "Evidence Chari Chanley lied to OFAC investigators and perjured herself."
2. All emails sent to and from Vito Gagliardi to Chari Chanley or Chrissy Skurbe between July 29, 2022 and August 4, 2022 with terms "OAL" or "Office of Administrative Law" or "hearing" in the subject heading or body of the e-mail.

Request No. 1: The District could not locate records responsive to this request. Specifically, the District searched for e-mail correspondence sent to or from the identified individuals with the identified subject heading over the specified period. No responsive records were located utilizing the search. As a result, your request is denied. See *Klock v. Newark Public Schools*, GRC Complaint No. 2013-242 (July 2014) (finding that Custodian properly denied a request where there were no responsive documents); *Pusterhofer v. N.J. Dep't of Education*, GRC Complaint No. 2005-49 (July 2005) (the "Custodian has certified that the requested record does not exist. Therefore, the requested record cannot be released and there was no unlawful denial of access").

Request No. 2: The District could not locate records responsive to this request. Specifically, the District searched for email correspondence between the three identified individuals that included the above search terms over the specified period. No responsive records were located utilizing that search. As a result, your request is denied. See *Klock v. Newark Public Schools*, GRC Complaint No. 2013-242 (July 2014) (finding that Custodian properly denied a request where there were no responsive documents); *Pusterhofer v. N.J. Dep't of Education*, GRC Complaint No. 2005-49 (July 2005) (the "Custodian has certified that the

requested record does not exist. Therefore, the requested record cannot be released and there was no unlawful denial of access").
