Your request for government records (# C237024) is as follows:

State of New Jersey
Government Records Request
Receipt

Dear New Jersey Department of Education,

I am requesting links to the statewide assessments Technical Reports for the NJSLA and NJGPA under OPRA. I can only find the NJSLA Technical Reports up through 2022. Where are the reports for 2023 and 2024? I am unable to find any Technical Reports for the NJGPA assessments. The NJGPA is a high-stakes statewide assessment that can have consequences for students and label them as ready for graduation, or not. It is unacceptable that the Office of Assessments does not ensure access to these documents on the website for the public in a timely manner. They are not confidential reports since I can see past assessment Technical Reports.

Please accept this electronic request for public records made under OPRA and the common law right of access. I am not required to fill out an official form or use a particular software platform to submit my request per NJSA 47:1A-6(f), which states that an email from a requestor including all of the information required on the adopted form shall suffice in place of a completed form as a valid government record request.

I HAVE NOT been convicted of any indictable offense under the laws of New Jersey, any other state, or the United States.

I WILL NOT use the requested government records for a commercial purpose.

I AM NOT seeking records in connection with a legal proceeding.
