

Dear Rochelle Park Township,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

Police Training Commission Meeting Minutes February 4, 2019

Page 8

Upon researching this matter, it was determined that officers similarly circumstanced received PTC Certification through the Alternate Route Process. The officers attended for enrichment purposes, and once appointed as police officers, they were required to complete FA-15, Agency Training. The academy would then submit the required verification; PTC Staff issued the certification. Should the Commission approve the waiver request, Officer Buono will need to complete FA -15, Agency Training.

Lt. Dean Pinto and Chief Robert Flannelly from Rochelle Park Police Department were present to provide additional information and answer questions.

This OPRA seeks any documents relating to Officer Buono's FA-15 training and the cost for this training.

Yours faithfully,
Susan
