Attachments: Lakeland YTD Summary AUG 2020.pdf; Lakeland Monthly Summary AUG 2020.pdf

Attached please find the Lakeland reports for August 2020.

My apologies for the delay in getting these out. Meant to send this morning and then we had a member's wife pass away suddenly. She was also a dedicated member of the Lakeland Auxiliary.

Hope all is well everyone!
Rourke

Tue, Oct 20, 2020 at 11:00 AM

Good Morning,

The Mayor and Committee have decided to set up a subcommittee to evaluate our Emergency Medical Services being that our contract with Lakeland expires at the end of this year. Would you be able to sit down with us next Tuesday, October 27th to discuss services? I am hoping to schedule at 4:00PM or 4:45PM, if that works for you. We would be meeting at the Municipal Building with Chief Danielson, Committeeman Tom Walsh and Committeewoman Janis McGovern.

Please let me know if you have the time in your schedule.

Thank you,
Patti

Good morning, Patti –

Tuesday should work for us. Can you shed some light on what the sub-committee is expecting us to prep for, etc.?

I look forward to meeting you finally as well!

Best,
Rourke

To: Rourke Day <rday@lakelandems.org>

Good Morning Rourke,

Looking forward to meeting you as well. Can you come at 4:45PM to the Municipal Building?

I will send you some basic questions you will be asked (Chief Danielson and I are working on that) in the next day or so.

Appreciate you getting back to me!

Patti

To: Eric Danielson <edanielson@atpd.org>, Thomas Walsh <twalsh@andovertp.org>, Janis McGovern <jmcgovern@andovertp.org>

Good Morning,

As a follow up to last night's meeting, I just wanted to touch base on setting up a time to meet with Atlantic and Lakeland. I am completely open the week of October 26th, and I am assuming it would be most convenient if we were to set this up late afternoon due to Janis and Tom's work schedules. Would 4PM or 5PM work any day that week?

Please let me know when you can.

Thank you,
Patti

Good Morning,

We are confirmed for Tuesday, October 27th @ the Municipal Building as follows:

Atlantic: 4:00PM
Lakeland: 4:45PM

I would like to give both some questions in advance of the meetings so they are better prepared and we only have to do this once. If you have any to contribute, please email me as soon as possible.

Thank you,
Patti

Hi,

I don't have any suggestions for questions but we should ask both basically the same questions.....
See you on the Oct 27 at 4 pm.

Janis

Subject: Lakeland EMS - Monthly Reports
Attachments: Lakeland Monthly Summary SEP 2020.pdf; Lakeland YTD Summary SEP 2020.pdf

Good evening,

My apologies for the delays in getting out our monthly report. Life has been incredibly busy lately and I finally had time to finish these up this week. Attached you'll find the Lakeland September 2020 report and YTD data.

Please let me know if there are any questions needing clarification.

Thank you all for your on-going support. Of note, we had 5 COVID transports in September – up from a lull of 2 in July and 1 in August. October already has seen several.

Best,
Rourke

Subject: Lakeland EMS - Monthly Reports
Attachments: Lakeland YTD Summary OCT 2020.pdf; Lakeland Monthly Summary OCT 2020.pdf

Hello, all –

Attached please find the monthly EMS reports from Lakeland for October. Of note, six COVID calls for last month were tallied up.

Let me know of any questions or concerns you may have.

Thanks,
Rourke

Rourke Day
Department Chief, Lakeland EMS

lakeland agreement renewal

11 messages

Alex Rubenstein <arubenstein@byramtp.org>

Thu, Nov 5, 2020 at 11:00 AM

To: Peter Spinney <pspinney@ptd.net>, Rourke Day <rday@lakelandems.org>, "jmorgan@andoverboroughnj.org" <jmorgan@andoverboroughnj.org>, Joseph Sabatini <jsabatini@byramtp.org>, "twalsh@andovertp.org" <twalsh@andovertp.org>, "pbussow@andovertp.org" <pbussow@andovertp.org>

Greetings,

As you are aware, the LES/BT/AT/AB agreement is coming to an end in under two months. I'd like to put together a Zoom meeting to discuss this agreement for 2021 and beyond.

Here are some available time slots, let me know your availability:

11/10/20, Tuesday – 11a

11/12/20, Thursday – 11a

11/13/20, Friday – 11a

Once we settle on a time, I will circulate Zoom information.

Good Morning,

I will get back to you once I speak with our subcommittee and check their schedule.

Thank you,
Patti

Hello,

All other parties have indicated that Thursday 11/12/20 at 11:00a works for them. Does this work for Andover Township?

Subject: Re: lakeland agreement renewal

Good Morning,

The Andover Township Committee has decided to not pursue a contract renewal with Lakeland EMS at this time.

Please feel free to reach out to me, or Committeeman Walsh with any questions or concerns.

Thank you,
Patti Bussow

Greetings,

As you are aware, the LES/BT/AT/AB agreement is coming to an end in under two months. I'd like to put together a Zoom meeting to discuss this agreement for 2021 and beyond.

Here are some available time slots, let me know your availability:

11/10/20, Tuesday – 11a

11/12/20, Thursday – 11a

11/13/20, Friday – 11a

Once we settle on a time, I will circulate Zoom information.

Good afternoon, Patti & Members of the Committee –

Having had a day to digest yesterday's email and gather my thoughts, I wanted to take a few moments to acknowledge receipt of your notice and share with you how disheartened we all are by the news.

Over seven decades ago in 1950, Lakeland began providing medical transport services to Andover Township. In the early 1980s, we opened our Goodale Road sub-station to provide more expeditious service to your residents. Since then countless lives have been saved, some lost, but tens of thousands have been touched by your dedicated volunteer ambulance corps. The proposed decision by the Committee to discontinue the relationship with your high-performing, community-minded squad in exchange for a hospital giant focused only on their bottom line is alarming. Being as though I have always considered many of you to be friends and also some of our biggest political proponents of Lakeland, I feel obligated to draw your attention to some facts that I want you to be aware of before anything is finalized.

Two weeks ago, a few members of my team and I walked into a meeting with your sub-committee having just been blindsided upon our arrival in the parking lot by the fact that we were up against Atlantic Ambulance for our contract renewal. We did not bring all the fancy bells and whistles that Atlantic may have presented that night, but we were not asked to prepare for such a formal presentation. The cold, hard truth is that whatever hopes and dreams Atlantic has promised you is a sham. Your governing body will lose local control over EMS and be foregoing the community-focus, familiar face service your town has come to expect. Your neighbors will no longer be there to help in your time of need.

Lakeland members are often the first arriving responder to a call in their neighborhood, rendering aid and providing that sense of security of a familiar face there to help.

One contract ambulance based locally is not enough to support the 20+ square miles of the Township. Frequently Lakeland handles simultaneous requests for service just in your Township alone: 65 times so far this year to be exact. While the hospital system has a handful of ambulances, they are scattered about the County and cover calls for other contracted nursing homes and backing up other towns so the idea of always having that extra truck available all the time is a farce. Please do yourselves a favor and research how many times Atlantic is unavailable to respond to an incident around the county that they are called to because they are stretched too thin. That puts the safety of your constituency at risk. I can tell you that Lakeland is called to the Andover Subacute complexes when Atlantic is not available; that has happened at least 12 times for residents of the care facilities just this year – that is Atlantic NOT BEING AVAILABLE. Lakeland has a 99.9% response rate in 2020 and just one, sole instance where we didn't have a crew available for one of your 400 calls so far. There are ambulance squads across the State that know us for our reliability. Agencies are envious of that and frequently ask how we do it and what our secret is. Municipalities replace squads that are failing, not squads that are thriving.

Knowing our patient base as well as we do, it is easy to predict where a certain call may take you. For instance, we transport patients with complex conditions to destinations out of County like Morristown or even the young boy with a trach tube that needs to be seen only at Newark Beth Israel. In those instances, we always have an extra crew available in town ready to respond; Atlantic cannot promise you that. Additionally, as we head into another locked down winter with COVID cases spiking again, consider increased turnaround time it takes ambulances crew to complete a call while donning proper PPE and decontaminating the ambulance before it can be put back in service for another call.

Think about the times when more than one ambulance is needed at the scene of a serious crash along Route 206, Limecrest, or Newton-Sparta Road. Lakeland comes out in force. If another Atlantic truck isn't available locally, where will those additional crews be coming from? Not all of our neighboring squads are always able to respond to help and those who are will be coming from several miles away. Not too many years ago there was a school bus crash in town near the old Chase Bank; we responded with 3 or 4 ambulances that day and had activated our countywide mass casualty plans for partner agencies to respond if the crash turned out to be worse than it was. How far away will 3 or 4 Atlantic ambulances be coming from you ask? During the day, one sits in Wantage, one at Ross's Corner, one at the Newton base, and one in Netcong – that's assuming none of them are busy with other calls, contract facility jobs, or inter-facility transports.

Often ambulance crews need additional assistance for lifting bariatric patients or performing CPR at the scene of a cardiac arrest. Will those extra manpower requests now fall to the fire department members to come out on a regular basis to assist Atlantic crews? Perhaps the DPW? Are they all outfitted with the proper respiratory protection to operate in today's environment with potentially infectious patients on a regular basis? There will be an added strain there without the breadth of volunteers at the ready that Lakeland brings to the table ready to assist on a daily basis.

Several times per year (under normal circumstances) we can be found around town at standbys in places like Kittatiny Valley State Park or presenting to the incoming Kindergarteners at Safety Town every summer. The events we support usually require at least one ambulance to be dedicated there while another crew is covering town, and those event sponsors like Mare Galeos of the Friend2Friend foundation or the Team Bulldog mountain bike racers all bring visitors and tourism to your town – they never get charged for Lakeland's services at standbys. I can't say the same would hold true for a hospital contract truck.

On a clinical note, Lakeland EMS utilizes Atlantic Health for our medical direction. What this means is that we have access to the same medicines, training, doctors, etc. that Atlantic Ambulance personnel do. For years now our trucks have been outfitted with a full contingent of NJ expanded scope medications and equipment including aspirin, epi-pens, CPAP, Narcan, and soon we will be adding albuterol to that list.

As of the date we met with the sub-committee, there were not any open operational concerns that had been brought to my attention, just one personnel issue which was being addressed as a one-off/isolated case, and not once in that meeting did we discuss terms of the existing contract up for renewal. Decades and decades of unyielding service to the Township deserves that discussion to be had before any hasty decisions are made. If this is a financial issue for the Township, give the Squad the opportunity to discuss that with you; thus far that chance has not been afforded to us. We would greatly appreciate having your Township represented at Thursday morning's conference call with Byram and Andover Borough. If you would prefer a private meeting again, I would gladly make accommodations for that instead.

Most of you have my phone number and have never hesitated to call when a question or problem arose. The same still holds true, and I look forward to the opportunity to explain any of this to you more in depth, either in person or over the phone. That personal touch that so many of you value as part of our community will be non-existent with Atlantic. That much I promise you. At the end of the day, would you rather be negotiating with one of the state's largest hospital corporations who doesn't need nor care about your Township or would you rather continue to strengthen a 70+ year relationship with a successful volunteer organization made up of local residents dedicated to serving your community?

I thank you for your time in hearing these concerns.

Respectfully yours,

Rourke

Rourke Day

TOWNSHIP OF ANDOVER

November 9, 2020

Rourke Day
Department Chief
Lakeland EMS
PO Box 311
Andover, NJ 07821

Dear Rourke:

As you are aware, Andover Township's contract with Lakeland EMS expires on December 31, 2020. The Township Committee, along with the advice of its professionals, has been steadfast in their review of all contracts in light of the challenges we have faced this past year, both economically and from a practical standpoint. After very thorough discussion and review of the current contract, the Township Committee will not be pursuing a contract renewal with Lakeland EMS.

We realize that change is inevitably hard, and making the decision to move forward with a different emergency medical service provider is no exception. Lakeland EMS has been a staple in Andover Township for decades, and in no way is this a reflection of the dedication and countless hours the volunteers have given to provide extraordinary services for the residents of Andover Township. We are grateful beyond measure.

Please feel free to contact me directly should you have any questions.

Sincerely,

Patricia L. Bussow, RMC/CMR
Administrator/Municipal Clerk

Patricia Bussow <pbussow@andovertpw.org>

Meeting on Tuesday

6 messages

Patricia Bussow <pbussow@andovertp.org>
To: Rourke Day <rday@lakelandems.org>

Fri, Oct 23, 2020 at 9:29 AM

Good Morning Rourke,

In order to be prepared for Tuesday's meeting, I think the best thing to do is to take a look at the previous contract, and just highlight any changes since we entered that agreement. I know that some of the Committee members believe response times are the number one point, as well as if there were to be an event on a bigger scale, how you would be prepared to respond (normally Emergency Management enters the picture here but just be prepared to answer should the question arise). Things like mutual aid, etc., might be a good to explain to the committee.

If you have any questions, please let me know. I'm here to help. Looking forward to meeting you Tuesday at 4:45PM.

Patti

Hi Patti --

It was great meeting you last night (finally)! I wanted to touch base again and offer my apologies because I got the impression as though your team may have been expecting some sort of more formal presentation from us, but that wasn't what was construed in our emails last week so perhaps I under-prepared them. In the past during these meetings we had discussed contract points and had more of a roundtable discussion, but I think perhaps I was misaligned on expectations.

Happy to come back to cover what you are looking for or even to send over a deck ahead of time for the sub-committee if that would be helpful.

Best,
Rourke

Rourke Day

Subject: The Right Move: Moving Beyond Lakeland EMS
Attachments: September Minutes.pdf

Township Committee Members and Administrator Bussow:

As much as it truly pains me to admit this, you are making the right decision in not renewing Lakeland EMS's contract.

I will preface my argument by disclosing that I am a former member of Lakeland EMS. My bias exists but trust that it is limited as my resignation occurred with absolutely no disdain for the agency whatsoever; rather, it was in objection to the destructive path and near-tyranny of Chief Rourke Day. I will also note that this email is not being sent to Mike Lensak given his conflict of interest in this matter.

1) Rourke's chief argument is going to be that there appears to be an inconsistency between Andover Township's dissatisfaction with the agency and Lakeland's performance with the fact that Lakeland answered 99% of the emergency calls in the Township. But this is a deceiving argument! The problem is not in the response RATE. The problem is the response TIME. It's great that Lakeland shows up every time, but it's NOT great that it takes as long as it does. Lakeland very publicly publishes response rates on the squad website but the response times are not. I do not know if the Committee receives reports from Lakeland with this data but the most reliable data is going to be housed at the police department's dispatch center.

Give any ambulance provider an inordinate amount of time to respond and they will eventually arrive. Compare response times in Andover to other local municipalities such as Fredon, Hopatcong, Newton, Sparta and a different story begins to unfold.

A consistent practice of Lakeland is to do extensive "turn arounds" where an ambulance that is already on an emergency call, will accept the next assignment before they have even arrived at the hospital, instead of allowing the dispatch center to utilize a closer, mutual aid ambulance like Newton or Sparta. This creates extensive delays in arrival times. Rourke aggressively reminds dispatchers on the radio of the time allowances that the squad has to assemble an ambulance before they are permitted to locate another agency - all to the detriment of the patient and trapping of a patrolman at the scene. This is rather unique to Lakeland and Rourke demands that we follow this practice even when it is clear to us that there is an unreasonable delay because giving a call away to another agency means lost money. The dollar sign should NEVER be the driving factor in patient care but all too often, that is Rourke's chief goal.

With a larger, hospital-based service, the economies of scale are much different and they are very willing to responsibly accept mutual aid services. Most of the squad's in the area - including Sparta and Hopatcong EMS who both also bill insurance for their service - take no issue with utilizing mutual aid in order for an ambulance to promptly arrive.

2) I do not know what your motivations were to arrive at this decision but hopefully the committee recognizes that Lakeland serves other municipalities better than Andover Township. As I am sure you are aware, Earlier this year, Rourke engaged in a contractual relationship with the Blue Ridge Rescue Squad to provide services to Branchville, Franford, Montague, Sandyston, and Walpack multiple days a week. NOT ONE of these municipalities provides any tax-subsidy to Lakeland while the Andover and Byram taxpayers foot this cost. Yes, Lakeland bills these northern residents and their insurance - but they also bill OUR residents just the same! The only difference is that our residents are being double-charged via insurance AND tax dollars while the northern residents get a tax-free Lakeland ambulance,

subsidized by OUR dollars. Andover pays the fuel, you provide insurance fees to Byram, and you provide Lakeland with a cash supplement!

How can Lakeland can put a staffed ambulance in Frankford multiple days a week but it cannot put one in tax-subsidy-providing Andover Township?! This is a slap in the face to any Andover taxpayer. Lakeland will take Andover money and give Frankford a better service at no tax-cost to them. Unreal.

To compound this situation, this was a rather clandestine arrangement. The taxpayers were kept in the dark, the Township Committee was kept in the dark, heck, our own membership was kept in the dark about this until the day that we started doing it! I don't even think that Mike Lensak knew about it before it happened! Speaking frankly, I do not know what Rourke's thought process was to make him believe this was acceptable.

3) Another argument that Rourke will likely raise is that "You would be getting a single hospital-based contract ambulance to serve the entire Township." Yes - but right now you have zero contract ambulances! During the DAYTIME, Lakeland has ONE staffed ambulance for Andover Boro, Andover Township, and Byram Township - and that ambulance is PARKED IN BYRAM. The proposed contract gives Andover Township a DEDICATED, STAFFED ambulance PARKED IN ANDOVER TOWNSHIP. Lakeland does NOT provide this. Yes, Lakeland has a station in Andover Township, but it is not staffed! Rourke staffs the Cranberry Lake station. So, an Andover resident calling 911 either has to wait for an ambulance to come from Cranberry Lake or wait for our members to drive from their home to the Goodale station and then drive to the call. Yes Lakeland has multiple ambulances that can eventually get crews together and respond, but so do the hospital services and their backup ambulances are STAFFED, ready to respond immediately rather than requiring 10 minutes of waiting time just to get out the door. Atlantic has a station in Newton with many ambulances that have the ability to respond to Andover Township much quicker than crews coming from home or even the staffed Lakeland ambulance in Byram.

Now, the hospital service would be parking an staffed ambulance in Andover Township, so let's compare times of a proposed hospital ambulance parked at Hillside Park and Lakeland's staffed ambulance which is housed in Byram:

- Hospital-service to Rolling Hills: 2.2 miles, 5 mins
- Lakeland Byram station to Rolling Hills: 8.5 miles, 14 mins

- Hospital-service to Lake Lenape: 3.3 miles, 7 mins
- Lakeland Byram station to Lake Lenape: 4.3 miles, 7 mins

- Hospital-service to Hillside Park: 0 miles, 0 mins
- Lakeland Byram station to Hillside Park: 6.4 miles, 11 mins

- Hospital-service to Kittatinny Valley State Park: 3.1 miles, 9 mins
- Lakeland Byram station to Kittatinny Valley State Park: 5.8 miles, 12 mins

- Hospital-service to Drake Manor: 2.0 miles, 5 mins
- Lakeland Byram station to Drake Manor: 8.9 miles, 14 mins

This is the true difference that a hospital service can provide.

4) Rourke is blatantly ignoring our attorney's recommendations to cease the Blue Ridge coverage until a potential legal conflict is solved. A complaint of medicare fraud was raised against Lakeland for unfair billing practices in the Blue Ridge area. There is a reasonable concern amongst some of the members that this is a legitimate complaint and that Lakeland faces medicare fraud charges. This is what broke the camel's back for me. If the leader of the organization is not going to exercise caution when our own attorney raises a concern over medicare fraud, I am not going to be part of it. The sensible answer here would be to say, "hey, seems like the Blue Ridge coverage is creating a legal problem, let's stop until we can figure it out." It makes no sense and the members continue to ask questions. We cannot provide adequate

responses in our own coverage area. Rourke is bending over backwards to attempt to accommodate the Blue Ridge service area. Why on Earth are we playing with EMS up in Montague?! Nope - Rourke just keeps going. He is playing with fire and as time elapses, things are getting worse.

Attached to this email are the minutes from a past meeting that summarizes this matter. See #14 - Old Business.

Rourke is going to try to appeal to the heartstrings of the residents but the Committee needs to demonstrate that there are two sides to every story and be ready with numbers. The numbers absolutely support your decision. The community needs to know the truth if there is any hope of getting their support in this matter.

It pains me to be a whistleblower to my squad. We provided many, many great years of service. There are a lot of really great people there but this is for the benefit of the greater good. Many of us felt powerless against Rourke's leadership but at least Andover Township has seen some of the problems and is standing up against him.

Since this email is going to your township emails and is thus discoverable within OPRA, I hope that you can appreciate my interest in remaining anonymous. Speak to others in the EMS community. Everyone knows what is going on inside the walls at Lakeland.

Lakeland Emergency Squad- General Meeting Minutes,
September 8, 2020

1. This meeting is conducted by teleconference due to the Governor's Executive Order prohibiting public or private gatherings of more than 25 persons or more than 25% of the rated capacity because of the COVID-19 state of emergency.
2. Pledge of Allegiance
3. Roll Call- Nick Pastore, Secretary *pro tempore*
 - a. Attendance:
 - AJ Debski
 - Alla Peckham
 - Hannah Peckham
 - Ethan Peckham
 - Art Schickschneit
 - Beth Debski
 - Bill Keller
 - CJ Morgan
 - Matt Jones
 - Nick Pastore
 - Peggy Reiber
 - Peter Spinney
 - Ray Wexler
 - Stephanie Sylvain
 - Sam Fortunato
 - Tom O'Rielly
 - Mike Totaro
 - Mike Lensak
 - Rourke Day
 - Skip Danielson
 - John Thomas
 - b. Excused absences
 - Illness of member or family- R Jones
 - Education- Liz Dyminski, Evan Stull
 - Work- W Underwood, CJ Morgan, A Tesori:
Furlough for public safety employment duties until further notice
 - Personal leave of absence- Alla Peckham, 3 months, effective 9/3
 - Medical leave – Ray Wexler, Deb Reidmiller
 - c. Quorum established
4. Election of Secretary
 - a. Nominations
 - Nick Pastore
 - From the floor
 - Motion - Eskil Danielson
 - Second – Sam Fortunato
 - Yea – 11

Lakeland Emergency Squad- General Meeting Minutes,
September 8, 2020

- Nay - 0
- Abstain - 0

5. Secretary's Report-

a. Meeting of August 11, 2020

- Amendments or corrections. Mike Lensak was present, Ray Wexler and Deb Reidmiller were excused – medical, Sam Fortunato was excused prior commitment (request submitted)
- Motion to adopt- Ray Wexler
- Second by- Mike Lensak
- Yea- 11
- Abstain- 2 Rourke Day not present at meeting, Sam Fortunato not present at meeting.

6. Correspondence- Peter Spinney

a. Thank You's and Acknowledgements

- None

b. Donations, Received

- None

7. Treasurer's Report- Bill Keller, Peter Spinney

The following report is incomplete, based only on the statements from Lakeland Bank because we have yet to get timely information transfer from our new bank, First Hope Bank.

a. Report as of August 11, 2020 meeting

i. Statement of combined Lakeland accounts:

- Opening balance: \$406,058.18
- Closing Lakeland balance: \$238,115.78 (monies transferred to First Hope)

ii. Large expenses items:

- Career staff payroll, including taxes: \$15,706.43
- Workers' comp insurance for staff: \$2,724.00
- Engineering fees, Cranberry structural: \$2,211.38
- Goodale building loan: \$2,175.00
- Ambulance Billing Company: \$1,694.30

iii. Large income items:

- Insurance billings: \$13,765.95
- CARES Act grant: \$6,351.18
- Donations: \$3,000, Thor Labs.

b. Motion to table August Treasurer's report due to report being incomplete due to changing over of banking institution used by squad.

- Motion by- Skip Danielson
- Second by- Ray Wexler
- Yea - 13
- Nay - 0
- Abstain- 0

8. Line Officer Reports - Rourke Day

a. Operations

- Stephanie Sylvain – There have been ongoing issues with crews (both paid and volunteer) leaving ambulance and equipment unclean after calls. Particularly with blood on equipment such as blood pressure cuffs.
- Nick Pastore – commented on having witnessed blood on equipment during rig check.
- Alla Peckham – Infectious waste left in ambulance or on equipment is a health and safety risk to all crews riding the ambulance. Issues regarding such need to be investigated as to who is responsible and disciplinary action should be initiated. Alla Peckham stated that it is a recurring problem and has not been properly addressed by Chief Day.
- An exchange between Chief Day and Alla Peckham ensued as to whether the issue has been properly addressed by Chief Day, particularly with paid staff.
- Chief Day left the meeting.
- A discussion ensued and a solution was brought up by members of the Board of Trustees to have any future health and safety risks (particularly an unsanitary condition on an ambulance) brought to them directly. The offer was made by Art Schikschneit and after polling by President Spinney was agreed upon by Sam Fortunato and Skip Danielson. It was determined that the Board of Trustees would accept the responsibility for the problem going forward.

b. Training – no report.

c. Drill – no report.

d. Cadet Program – no report.

9. NJ EMS Council District 12- Art Schikschneit

a. August 13 meeting.

- Any member is welcome to join in Council meetings.
- LES participation at this meeting was two delegates, no alternates.
- Fall EMT class to begin on 9/2 at the Romano building, NMC.
- On the date of this meeting, George Sabourin of Ogdensburg, a beloved EMT educator and mentor, was in ICU at NMC but was subsequently transferred to the Quinlan Hospice in Fredon, where he died on Monday, August 17th.
- Skip Danielson described the “Fund the First” online donation organization to solicit funds for Scott Danielson’s widow, Tammy.
- The 12th District is 100% for 2020 with dues and inspections. EMSCNJ inspections completed in 2019 are valid through December 31, 2020. Only seven squads have completed their 2020 annual reports, not including LES. LES needs to complete its annual report in order to vote at the general business meeting of the NJEMS Council and partake of its rights and privileges as an EMSCNJ member

Lakeland Emergency Squad- General Meeting Minutes,
September 8, 2020

b. Next meeting

October 6th will again be a virtual meeting.

Log in link: <https://global.gotomeeting.com/join/576585117>

Dial in number: (312) 757-3121

Access code: 576-585-117

10. New Business

a. Deposition for S v. C.

Peter Spinney, Alla Peckham and Katie Reidmiller were all deposed on 9/3 in a televideo conference for an October 2018 case pertaining to a LES patient named [S]. Patient [S] is suing a third party [C] for a slip and fall not associated with LES. LES is not a party to the suit, but our EMTs were appearing as fact witnesses. Peter, Alla and Katie were subpoenaed to testify for the defense [party C] as to the condition of the patient at the time of the call which was 2 months af-
ter the slip and fall on the defendant's property in August 2018. We were able to obtain legal assistance to represent us in the deposition through our liability policy.

b. Appeal of Danielson decision by Byram Township

Notwithstanding the ruling by a superior court in favor of Tammy Danielson that she should get survivor's benefits following the death of Scott Danielson, the worker's compensation insurance company is appealing that ruling.

c. Community Service Project

Filling of potholes at entrance to Forest Lakes Drive. Matt Jones

After discussion and input from Mike Lensak project was abandoned due to legal dispute over ownership/responsibility of driveway between Byram, Andover Township, and Andover Borough as well as possible liability implications for LES.

11. Committee Reports

a. Bylaws- Matt Jones

- Bylaws are ready for attorney review.

b. Vehicle Fleet Reduction

i. 43-58 -Peter Spinney

The new title has been received, the lights and radios have been removed from the vehicle, and we are awaiting the buyer to complete the transaction.

ii. 43-56 -Matt Jones – no report.

c. House and Grounds- Peter Spinney

i. Goodale

- Annual well water testing for salt contamination.
- Cartridges due to be replaced for reverse osmosis units.

ii. Cranberry

- Plumbing
 - Women's room: replace two commodes with pressure assisted units.
 - Men's room urinal: recondition Flushomatic valve.

d. Membership

Lakeland Emergency Squad- General Meeting Minutes,
September 8, 2020

- i. Leave of Absence
Request by Alla Peckham to take a 3-month Personal Leave of Absence. Approved by President Spinney and Chief Day in accordance with Article VII Section A of the bylaws, adopted December 2019.
 - ii. New member
Courtney Zeich
 - e. Morale
 - No report
 - f. Grants- Peggy Reiber
Federal grant applications.
 - On August 20, 2020, LES was notified that it had received a CARES Act Grant of \$6,351 in April. We did not recognize the source of the funds that were directly deposited to our account at the time because we thought it was a Medicare/Medicade payment. As a consequence, more than 90 days had passed since the receipt of the funds and that therefore we have *de facto* accepted the conditions of the grant. Appropriate adjustments have been made to the Treasurer's reports and the monthly financial statements to reflect that grant. It was through the efforts of Peggy Reiber and Congressman Josh Gottheimer's office that LES received this grant, which went to pay the extra expenses for the career staff during the high intensity time of the Covid-19 responses.
 - g. Fund Raising – Sam Fortunato
 - Request for old squad photos for advertising.
12. Trustee Report- Mel Dennison
- Mel Dennison not present
 - Art Schikschneit – nothing to add from trustees that wasn't already reported on by President Spinney.
13. Auxiliary- Judy Spinney, Treasurer
- Opening balance: 1,371.93
 - Expenses: \$95.94 reimbursement for 2 get well gifts
 - Closing balance: \$1,275.99
14. Old Business
- a. BRRS and LES Memorandum of Understanding
Peter, Rourke, and Matt had an extended discussion with the LES attorney, Angelo Bolcato, on September 2. The bulk of the discussion revolved around the issues and liabilities associated with "hard" vs. "soft" billing of Medicare/Medicaid (CMS) patients. We know that is a sticking point with BRRS and the MOU. Our current policy is to soft bill, i.e., not taking CMS patients to collections for any unpaid portion for which CMS does not pay. CMS makes it legally difficult to conduct non-aggressive follow up billing for the patients' 20% portion not covered by CMS. To write-off the individuals share is considered a kickback by CMS and LES is being challenged on that basis by Atlantic Ambulance which wants to

provide the paid service in the BRRS territory. Angelo Bolcato has advised two things:

- LES cannot waive any portion of the bill unless it is willing to do a means test (i.e., examine the income tax returns) for those patients claiming an inability to pay.
- The opinions from the DHHS Office of the Inspector General concerning the application of local contributions by the contracted communities to pay the patients' portion cannot be relied upon to justify our specific circumstances and practices.

The BRRS attorney has indicated to our counsel that LES might have to enter into agreements with each municipality served by BRRS.

We are awaiting draft revisions to the MOU as proposed by the BRRS attorney.

b. LES's Current Billing Procedures

At the current time, the billing procedures used by Ambulance Billing Company on behalf of LES are as follows:

- All follow up billing is done three times, regardless of the insurance carrier (CMS, private).
- After the third non-response from patients residing outside of the LES territory in Sussex and Warren Counties, ABC sends the bill to a collection company in Massachusetts in exchange for a 1/3 – 2/3 split on any funds recovered.
- No further action is taken on unpaid balances for residents in Sussex and Warren Counties.

c. LES's Possible Billing Alternative

Angelo Bolcato has asked whether the membership would endorse a different system to deal with this problem.

d. Discussion:

- The consensus of the membership as expressed by 5 members with no dissent by other members was strongly against going to hard billing. Those five members included Peggy Reiber, Nick Pastore, Mike Lensak, C.J. Morgan, and Bill Keller.
- A request was made by Art for a Special Meeting after any discussion with ABC and our attorney concerning the ethics of a two-tiered system of billing. However, President Spinney suggested waiting until after BRRS comes back with their version of the next iteration of the MOU.
- A point was made by Mike Lensak that going to hard billing could jeopardize LES's position in negotiating its contract with Andover Township since the residents were promised that LES would not hard bill. He stated that it could open up the door for the residents to seek a proposal from other agencies such as Atlantic Health.

15. Adjournment

- Motion by - Sam Fortunato
- Second by - Eskil Danielson
- Yea- Unanimous

Lakeland Emergency Squad- General Meeting Minutes,
September 8, 2020

Addendum: Since Chief Day had left the meeting early, he was not present to give his full line report. He provided his report to the squad via email following the meeting and no discussion was made in regard to any points in his report. Attached (copy and paste from Chief Day's report):

Here is the remainder of the Line report for this evening:

Shout out to Tom who has taken over the fleet maintenance. He's been doing quite a bit behind the scenes to make sure everything is in the best possible shape and downtime is minimized. Thanks, Tom!

Congratulations to the six folks who started EMT class this semester – AJ, Courtney, Alex, Mike T., Brandon, & John T.!

Narcan: We have some new Narcan bottles that will begin to show up on the rigs. This was a donated supply we applied for from the State, saving us money from having to purchase any in the next 2 years or so. Please watch the following instructional video as the assembly and administration methods are slightly different than what you may be accustomed to seeing and are administered through a single nostril. The actual instructional part starts around the 10 minute mark: <https://www.narcan.com/first-responders/law-enforcement-roll-call-video/>

P100 Respirators: It is about time to begin the replacement of the filters. Please let Jenn know when you are ready for new filters and she will leave them out in a labeled bag for you to pick up.

Thanks to those who have completed the weekend crew survey for 4Q. If you haven't done so already, please take a few minutes and get that submitted this week.

The new no-contact thermometers are on all 4 ambulances in the blue bags with Epi and Narcan. Familiarize yourself with their use when possible and remember to record any temperatures in Page 8 (Activity Log) of your charts.

We continue to monitor our PPE stockpile; if you use something beyond the everyday, please record it and let Jenn know where you replaced it from.

Remaining standbys for the year have been canceled including BoneFrog & all of the Friend2Friend SCWF races in KVSP.

Bi-annual OEMS inspection on the ambulances will be coming up soon. Anyone willing to take a rig to Trenton or Jersey City one morning, please reach out (must be an EMT). The trucks are basically ready for State inspection; kindly remember to replace what you use and don't overstock the trucks.

Drill this month is slated to be bleeding control; October will be pharmacology / medical

Lakeland Emergency Squad- General Meeting Minutes,
September 8, 2020

history from medications (presented by Nick P.).

County IDs: I've followed up with OEM to see about the printing and added a few new members in to the list as well.

Albuterol has been tabled by medical direction until after COVID uncertainties subside regarding nebulized medications.

To: Patricia Bussow <pbussow@andovertp.org>

Received, thank you.
