Subject: OPRA request - Open Construction Permits

Dear Somerville Borough,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

I am requesting open/closed permits and/or violations from January 2000 to present, as well as the Property Card. Also, I would like to know information regarding the presence of an underground oil tank and/or septic tank, if applicable, including permits, remediation reports, environmental reports, and surveys showing underground oil tank and/or septic tank location.

I would also like to know if there are permits for a finished bathroom off of the utility room.

18 Mastogen Dr., Somerville

Yours faithfully,

ADRIANA ONDARZA
