COMPLAINANT RENTS THE HOUSE AND THEY HAVE FOUND POSSIBLE MOLD IN THE ATTIC. SHE HAS TRIED CONTACTING THE LANDLORD BUT HE DOES NOT ANSWER.

OWNER
MOHAMED HAKIM
[REDACTED]

4/29/16 Called and spoke with complainant. She stated that a contractor who was doing weatherproofing work on the house stated top her that there appears to be evidence of mold in the attic. She has informed the landlord of this and has also coincidentally decided to move out by the end of next month. There is no one experiencing mold related health symptoms at this time.

4/29/16 Called and spoke with landlord (Mr. Hakim). He is aware of the statement by the contractor and the current tenant's plan to move out next month. He has verbally agreed to have a mold remediation outfit examine and remediate any mold within the attic after this tenant vacates and before a new tenant/s come in. He also expressed the possibility that he and his family will move back into this home (it was his former residence). He took my name and cobtact inform to get back to me to provide confirmation of the mold remediation person's response. HOLD/PB

6/7/16 Received email from landlord (Mr. Hakim) indicating tenants have moved out and abated any indication of mold in the attic:
