RE: Open Public Records Act (OPRA) Request – received July 21, 2021 – 2021-00808

To whom it may concern:

In response to the above mentioned OPRA request I offer the following response:

1. Open/closed permits for 234 Spring Meadow Way, New Jersey 08331

The Construction Department has provided a list of permit applications for 234 Spring Meadow Way, Monroe Township which shows there are no open permits. The Utility Department has stated they have no responsive documents for this request. The Planning and Zoning Department will need a two-week (August 13, 2021) extension to gather any responsive documents for this request.

If you have any further questions regarding this request, I can be reached at AGonzalez@monroetwp.com or 732-656-4573.

Sincerely,

Alicia Gonzalez
