Re: OPRA – Hynes
response sent via OPRA Machine

Dear Mr. Engelhardt :

We are in receipt of your OPRA. In response, please find attached the salaries of all borough employees as of today.

However, the request for “all emails Edward Hynes has sent since his first day of employment” and “any town business on his personal phone or work phone” are hereby denied for the following reasons: This request is over – broad and is therefore denied. Pursuant to MAG Entm’t, LLC v. Division of ABC, 375 N.J. Super.534 (App. Div. 2005) and Elcavage v. West Milford Twp. (Passaic), GRC Complaint No. 2009-07 (April 2010) the OPRA request for emails/correspondence is overbroad as it must contain (1) the content and / or subject of the email (2) the specific date or range of dates during which the email was transmitted or the emails were transmitted, and (3) identification of the sender and/or recipient thereof. As your request fails to identify this criteria, the request is denied.

This satisfies your request, and we will now consider your OPRA closed.

Sincerely,

Laura J. Lyons, CPM, RMC, RPPO
Municipal Clerk
