I do not have any records of receiving a request for 374 16th Avenue. Sometimes OPRAmachine gets caught in our firewall, as it is a 3rd party. Please resend and in the future, it is always better to fill out the OPRA request directly through our website: <https://www.bricktownship.net/departments/township-clerk/>
There is a link under the Frequently Asked Questions, Open Public Records (OPRA) Request. That is sent to me directly and won't get caught under SPAM

Sincerely,
