GAVE 60 DAYS TO TAKE CARE OF ROOF.

Mayor,

I will now acknowledge that you and all other parties in this email have chosen not to answer my correspondence from two weeks ago. I will still attempt to strive for good government, even though it is not your calling card.

You recently hired a new code enforcement officer for garbage and weekend oversight, so that is the reason for my email. On our Sunday walk this morning we came across this mess at 501 Park Place Avenue and can not believe that residents of Bradley Beach must be subject to this improper management of a work site.

- 1- Debris on the roof.
- 2- Debris on the sidewalk
- 3- Debris in the street
- 4 - Grass a foot high
- 5- Nails in the street

We understand that all are happy that this structure is being renovated, but this does not mean they do not have to follow rules. This is the summer season and residents should not have to look at this unprofessional worksite. It appears to be a third world country over there.

What is really upsetting to me is the nails in the street! This month I have had two flat tires with finishing nails in them repaired at Bradley Car Care, feel free to check with Stanly to confirm.

Enjoy the photos.

Best, until our next five minutes.

CPT-20-00041 211 OCEAN AVE my name is Ed Vonsover, from 114 Evergreen, the property on Ocean Ave and 3rd Ave, has been an eye sore for years. Demolition started over a month ago with no process visible. the start was nothing but an eye wash. note that with spring approaching, the sire is an UNSAFE site. children walk the sidewalk all the time, and this past weekend siding and plywood was falling down due to the strong wind. what is the town doing to provide a safe and attractive environment for its citizens ? this has been going on for too long - note my letter to you a year ago where the whole roof was held by a stick of wood. this is an urgent matter and I hope you can address this situation quickly, thank you, Ed	3/16/2020 8:06:00 AM	CodeEnforcement	Debris/Rubbish on Property	Dearl Nelson	In Progress	
CPT-20-00042 201 LAREINE AVE There is a ridiculous amount of cigarette butt litter in front of 201 Lareine Ave. There must be 100 butts on the ground. I would think this is a situation where the owner should be required to put one for those "Butt Depot" containers in front of the property. I don't think the owner needs to be fined and taken to court, unless they ignore the request to remedy this with a butt depot container.	3/16/2020 8:08:00 AM	CodeEnforcement	Debris/Rubbish on Property	Dearl Nelson	Closed	6/11/2020

CPT-20-00066 55 MAIN ST The grass is as tall as my waist in some places! I live at 55 Main Street in Bradley Beach and the 6/11/20-OFFICER ADVISED THE OWNER OF THE NATURE OF THIS COMPLAINT AND landlord has refused to have the backyard grass cut, thinking you will only site him for the front yard. In addition, the ceiling has been leaking for days and even though I have notified and sent pictures it is only a matter of time before the entire house is in the basement. Any help you can give would be appreciated. Thank you.	6/1/2020 1:38:00 PM	CodeEnforcement	Tall Grass	Dearl Nelson	ABATED	Closed	6/16/2020

After observing a firepit and a pop-up camper in the front yard of said property, Pat issued the property owner a warning for both the firepit and camper under Ordinance 450-17. Although a written warning has been issued, ultimately, a letter from zoning needs to be sent to the property owner to address the violations.	6/10/2020 11:26:00 AM LandUsePro	Im not sure if its a Zoning issue George Waterman	In Progress

CPT-20-00145 330 NEWARK AVE THE TOWN NEEDS TO EXAMEN 330 NEWARK AVE. THERE ARE BIG HEDGES ALONG THE CURB, THE WIDTH OF THE HOUSE, AND THEY ARE FENCED IN. THIS HOMEOWNER HAS CREATED 2 ILLEGAL PARKING SPOTS IN FRONT OF THEIR HOUSE. THESE HEDGES AND FENCING MUST BE REMOVED IMMEDIATELY. ALSO, THERE ARE SEVERAL TALL VASE LIKE FLOWER POTS ALONG THE PROPERTY LINE AT THE SIDEWALK. THE LEAVES ARE HSNING OVER ONTO THE SIDEWALK WHERE PEOPLE WALK BY WITH THEIR BEACH CARTS AND CHAIRS. THESE ARE NEW PLANTS, ONLY TO GROW OUTWARD. THIS IS VERY RUDE AND INCONSIDERATE TO EVERYONE WHO WALKS BY. THE WHITE CROOKED FENCE BETWEEN 330 AND 332 NEWARK WAS JUST PLACED THERE TOO.
