Government Records Request
Receipt

Mr. Rozzi,

The Division of State Police does not make or maintain a log of OPRA requests containing the fields you requested. Between January 1, 2016 and December 31, 2017, a total of 1472 OPRA requests were filed with the Division of State Police. The OPRA Tracking System used by the Department of Law and Public Safety and the Division of State Police does not have a field for "date of response". For that reason, the Division of State Police can neither generate a report, nor create a log which contains the date on which each OPRA request filed with the Division was "responded". For that reason, the Division of State Police must deny your request.

Sincerely,

DSG Kristina Pados
New Jersey State Police
