DEAR Anonymous:

Re: COVID Health Data, Reports, Memos
And E-Mail OPRA Request

I am responding to the above referenced OPRA in the same order as your requests:

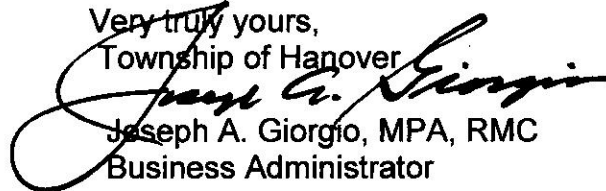

1. There are no responsive records to this request. Case information and contact tracing information is protected health information as per the NJDOH. The Township does not keep separate records of tallies for school children or report such tallies to the school districts. All cases are reported cumulatively to the public on the County COVID-19 website as follows:

<https://link.edgepilot.com/s/24d3e1ba/JFBWkwJeGUqzuNcDr9CoA?u=https://www.morriscounty.nj.gov/Residents/Health/Coronavirus>

2. There are no responsive records to this request. The information cited which is overbroad under OPRA, is protected health information and submitted to the NJDOH via the CDRSS (Communicable Disease Reporting and Surveillance System). The NJDOH is custodian of records for the CDRSS.
3. Responsive email records are attached.

Your OPRA request is now deemed answered and closed. If your request for access to a government record has been denied or unfilled within the statutory timeframe required by law, you have a right to challenge the Denial of Access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, New Jersey 08625, by e-mail at grc@dca.state.nj.us, or at their website at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Very truly yours,
Township of Hanover
