Hi Jackie,

It has been awhile! I even asked Lisa recently if you were still there, because it had been so long. I hope you have been well. 😊

The proposal was sent to Lisa on Friday. It might have been emailed after the office was closed but it was sent.

Sincerely,

Lisa,

I called Richard this morning after I received your email. He is expected in the office this afternoon. I know you will be gone for the day.

But I will make sure it gets sent to you.

Sincerely,

Still have not heard from your sales department for the new washer proposal..

Also washer #1 at Chestnut is broken not wringing out the water.
