Hi Michelle,

Which location for washer #4?

As well, we had a scheduled vent cleaning today for 2 Weaver but unfortunately all the doors were locked. We called 908-273-6413 about 5x and it kept saying your office was closed today.

We have to reschedule the appointment.

Thanks,

Hi Emily,

A tenant just reported that the washer on the 4th floor's start button is not working. Please send someone out tomorrow to look at it. Thanks!
