Hi Jacqueline

Hope all is well. The colors available in the UHDZ are Pewter Gray, Barkwood, Charcoal, Shakewood, Skate, and Weathered Wood. I don't have a specific UHDZ sample booklet because they've not often used, but if you look into the original HDZ booklet I dropped off the above six colors are shown in there. If you have any questions please let me know. Have a great day.

Best Regards,
Frank

Jung – Thanks for the update.

Frank – Do you happen to have physical samples of the UHDZ shingles available? Looking forward to hearing from you.

Frank,

Please see my comments and amend and resubmit. Thank you.

Jacqueline,

You will have to re-select the color for Weaver as the specified shingle (UHDZ) does not come in Mission Brown. I believe you were given choices for HDZ shingles, not UHDZ.

Below are the color choices for the UHDZ shingles.
