Good morning, Ms. Williams.

I sent out an email notification on May 23, 2025, advising all tenants of the summer office hours. Additionally, I have forwarded you the original email. Should you have any additional questions please contact me. Have a wonderful day.

Best regards,

Subject: Housing is closed NOW

Afternoon,

I have been trying to reach out to housing since noon and now they have the office closed and the emergency voicemail on. Can I please have the housing hours and days when we can reach an individual in the office? Sometimes it's NOT a maintenance emergency just an emergency of needed one of the many office staff that are here for housing questions or issues. There is not enough maintenance so I rely on the office when I can during work hours.

Thank you
