ZONING PERMIT

This document affirms, as required in the Zoning Ordinance, as a condition precedent to the commencement of a use or the erection, construction, reconstruction, restoration, alteration, conversion, or installation of a structure or building; and acknowledges that such use, structure, or building complies with the provisions of the municipal zoning or authorized variance there from.

Your request to replace the existing hot water gas boiler with a new gas boiler has been granted.

All necessary permits must be obtained from the Building Department prior to beginning work.
