RFP 2020 – LEGAL SERVICES – TOWNSHIP ATTORNEY

Dear Ms. Laureigh:

I am pleased to enclose our proposal in support of our request to be considered by the Township of Lacey for appointment to the position of Township Attorney for the 2020 calendar year. We have attached our firm résumé as well as the curriculum vitae of the members of our firm. If we are appointed to the position of Township Attorney, I will be primarily responsible for day-to-day services required by the Township. When and if necessary, my partner Christopher J. Connors will provide these services in my absence.

As the Township Committee is likely aware, my law firm is proud to have established its roots in Lacey Township 45 years ago. We have always been proud of our connection to Lacey Township and are delighted to have watched our tax dollars help Lacey Township grow into the fantastic municipality that it is today. During that time, our law firm has been pleased to sponsor and support numerous local youth sports organizations, including but certainly not limited to the Lacey Football Club, Youth Basketball, Soccer and Baseball. We are honored to support our local youth in other areas as well and have been pleased to support organizations such as the Boy Scouts, Girl Scouts and those organizations providing academic boosters on behalf of our local schools. Our law firm also faithfully supports local service organizations, such as Rotary, for decades.

Of course, on a more personal level, I have chosen Lacey Township as my home. For the past 44 years – most of my life – have lived in Lacey Township. I have raised my children here, as have my partners Bob Ulaky and Senator Chris Connors. In fact, I would be remiss if I did not point out that five of our attorneys and four assistants have also chosen Lacey Township to be their homes. During my time here in Lacey Township I have spent 35 years as a member of the Lacey Township Chamber of Commerce (and previously served as the President of the Chamber). Over the course of 40 years, Bob Ulaky and I have been members of the Forked River Rotary. In addition to the financial support our law firm gives youth, I am proud to note that I and members of my firm have spent countless hours physically on the youth soccer, pop warner and baseball fields coaching and assisting our Township's children.

In addition, I am honored to say that I am President of the Robert Gallagher CSM Foundation. My stepbrother Bob Gallaher was an American Army hero. He received three Purple Hearts, two Silver Stars, and a Bronze Star with Valor. Unfortunately Bob passed away from natural causes after retiring from the service. In his name we have started a nonprofit organization which raises monies for veterans who return from war and need assistance. This is one more example of the fact that I and my firm have always given back to Lacey Township.

Having made our homesteads and raised our children right here in Lacey Township, my knowledge of the Township is vast and intimate, it has been accumulated for decades and I humbly submit that I know that I can best ably serve Lacey Township as Township Attorney.

As you can see from reviewing the attached documentation, we have extensive experience in representing numerous municipal entities in Ocean, Monmouth, Mercer, Middlesex, Burlington and Atlantic Counties. We currently serve as Township Attorney for the Township of Ocean (Waretown) in Ocean County and as Municipal Attorneys for the Boroughs of Point Pleasant, Ship Bottom, Surf City and Tuckerton, as well as the Borough of Belmar in Monmouth County. We currently or in the past have served as municipal or conflict or special counsel for the Townships of Barnegat, Stafford, Township of Toms River, Township of Little Egg Harbor, Township of Berkeley, Township of Wall, Borough of Tinton Falls, Borough of Eatontown, Borough of Tuckerton, Borough of Beach Haven, Borough of South Toms River, Township of Howell and the Township of Eagleswood.

In addition, we also serve a multitude of additional municipal entities throughout Ocean, Monmouth, Burlington and Mercer Counties. For example, our firm serves the Planning, Zoning or Joint Land Use Boards of Plumsted Township, Jackson Township, Eagleswood Township, Lakewood Township and Toms River Township in Ocean County, as well as the Planning Board of Robbinsville Township and Hamilton Township in Mercer County. We similarly serve or have served as solicitor to the Municipal Utilities Authorities or Water & Sewer Departments in Brick Township, Barnegat Township, Stafford Township, Plumsted Township, Little Egg Harbor Township, Berkeley Township and Lacey Township.

In our capacities as municipal solicitors and special counsel, our firm has negotiated successfully on behalf of municipal entities on numerous occasions. Our firm has also regularly appeared before PERC and the EEOC. Of note, our partner, Christopher K. Koutsouris, Esquire, has completed a course of study from Rutgers University and is Certified in Public Sector Labor Relations. In addition, I am proud to inform you that I have successfully completed courses provided by Rutgers University, and have the distinction of being recognized as a Diplomat in Municipal Law. In addition, I am honored to be awarded the Fred G. Stickel Award in 2016 for outstanding and dedicated work in the municipal law field by the Institute of Local Government Attorneys.

With nine full time attorneys and three of counsel attorneys, along with an ample support staff of eleven, we are fully capable of providing all of the services we are called upon to render as Township Attorney for Lacey Township. Please also take note that our firm is equipped with the latest legal research, dictation and trust accounting software, as well as office equipment capable of handling any necessary imaging or copying projects that may be required in connection with our appointment as Township Attorney.

Also in addition to our Hamilton and Sea Girt satellite offices, as of January 1, 2020 we are pleased to advise that we will be opening a satellite office located at 506 Hooper Avenue, in Toms River, New Jersey. Our new Toms River office will allow us to have additional access throughout New Jersey to represent the interests of our clients.

The rate of compensation is always important to any governmental body and its taxpayers. Our fee for services rendered in the event that we are honored to represent Lacey Township as Township Attorney would be at the current rate of \$175.00 per hour, plus reimbursement for all out of pocket expenses. Unlike some law firms we would not charge for paralegal or secretary time.

We believe it is important that the Governing Body speak with persons who are familiar with the level of service that this firm can provide. We therefore request that the Governing Body consider speaking with:

W. Bryan Dempsey, Borough Administrator in Spring Lake at 732-449-0800;
Frank Pannucci, Borough Administrator in Point Pleasant Borough at 732-892-3434;
Diane Ambrosio, Ocean Township Clerk/Administrator at 609-693-3302;
Joseph Clark, Esquire, in-house attorney for Howell Township, 732-938-4500.

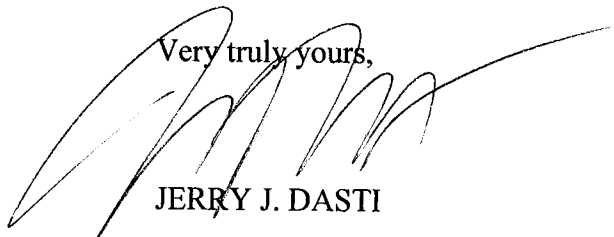

The Governing Body should also feel free to contact any representative of the other entities referenced in our law firm résumé.

Please accept this letter as a form of certification that none of the principals of the Firm or the Firm itself has ever been convicted of a crime.

Please also this accept this letter as a form of certification that none of the principals of this Firm or the Firm itself has received a target letter from a grand jury.

We would be happy to meet with you or the Governing Body to discuss our request at greater length. In the event that you have any questions or we can be of additional assistance, please do not hesitate to contact our office.

Very truly yours,

JERRY J. DASTI

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

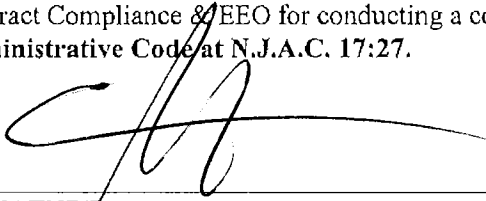

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

Letter of Federal Affirmative Action Plan Approval
Certificate of Employee Information Report

The contractor and its subcontractors shall furnish such reports or other documents to the Div. of Contract Compliance & EEO as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Div. of Contract Compliance & EEO for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

AMERICANS WITH DISABILITIES ACT OF 1990

Equal Opportunity for Individuals with Disability

The contractor and the Township of Lacey, (hereafter "Township") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules

and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the Township pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the Township in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the Township, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the Township's grievance procedure, the contractor agrees to abide by any decision of the Township which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the Township, or if the Township incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The Township shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the Township or any of its agents, servants, and employees, the Township shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the Township or its representatives.

It is expressly agreed and understood that any approval by the Township of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the Township pursuant to this paragraph.

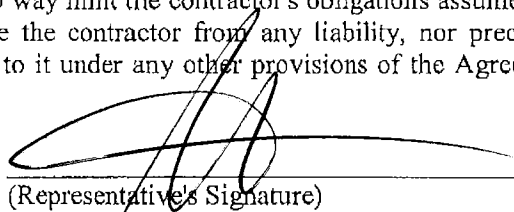

It is further agreed and understood that the Township assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the Township from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
