To whom it may concern:

The storm "Sandy" that did its damage in October of last year left a boat on my property in Tuckerton. **This is not my boat and because of this I do not have a title. This makes it very difficult to dispose of it legally.**

The purpose of this letter is to assure you that it is my intention to get the boat off of my property as soon as possible.

We have moved the boat from its position on the seawall into a safe and secure spot in the front/side yard. It is blocked safely and awaiting transport to ??

I have asked the Tuckerton Emergency Management Coordinator for help in the safe and legal disposal of this boat and am awaiting his response.

I know we are not alone in suffering losses from "Sandy", but we have gone to great personal expense (mostly borrowed) and much hard work to get our little house at 71 Admiral Dr renovated and ready to rent. This was our last hurdle and unexpected by me. Please grant us our certificate of occupancy so we can move our tennant in as soon as possible.

Thank You,

Jeff Demme
